Guides offer two routes
 Enjoy autumn's colors with a sky ride at Kelso

Looking for a spectacular view of the fall colors? Join an Autumn Colors Sky Ride Hike along one of the most scenic parts of the Niagara Escarpment on October 3, 4, 10, 11, or 12 in Kelso Conservation Area, west of Milton.

The hiking adventure begins with a sky ride above the trees on the quad chairlift at the Glen Eden Ski Area. Experienced Halton/North Peel Naturalist Club and Halton Region Museum guides offer hikers a choice of two routes departing at 10:30 a.m. and 11 a.m. daily from the Halton Region Museum in the heart of the conservation area. Cameras, comfortable footwear and water bottles are recommended.

The first hike is to the standing ruins of the historic Christie-Henderson lime kilns. The lime kilns, constructed in 1880 by D.D. Christie of the Kelso area, were used to burn chunks of limestone from a nearby quarry. The burnt stone was turned into powder lime for the production of mortar and plaster.

The second hiking route is along the edge of the Niagara Escarpment to the tip of Milton Heights, the bluff overlooking Highway 401 with panoramic autumn views. Both hikes are approximately two hours in length and include home-made pie and cider in the Hearth Room Cafe.

Pre-registration is required for the Autumn Colours Sky Ride Hikes. Fee is \$10 for adults/students, \$9 for seniors/children (plus Kelso Conservation Area gate fee).

For those interested in self-guided hikes, chairlifts are open between 11 a.m. to 4 p.m.

For more information or to register, call (905) 875-2200. For information about park gate fees and services, call (905) 878-5011.
