## Tough defence powers Roos to football title

A stingy defence proved to be the right formula to put Roos Travel in the winners' circle of the Georgetown Ladies Flag Football League for the first time since 1990.

Roos, which placed second in the regular season opened up an 11-0 halftime lead and added a second half field goal in blanking Georgetown Toyota 14-0 in the championship match last Sunday at Georgetown South Community Park.

Veteran quarterback Jennifer Reynolds got Roos off to a strong start on the opening drive by leading her team downfield before finding Sonia St. Jacques in the end zone on a 15-yard pass play. Sheri Nairn added the convert to make it 7-0.

Toyota, which earlier upset McQueen Maintenance in semifinal action, stalled on their first drive and allowed Roos to get within field goal range before June Peacock nearly picked off a Reynolds' pass. However, Nairn did boot the three-pointer soon after to make it 10-0.

Toyota got a break on their next drive when an interception by Roos' Brenda Hamilton was called back on an "in-too-soon" infraction but the drive eventually stalled.

Roos added another point on a rouse before the half ended and closed out the scoring in the third quarter when Nairn kicked her third field goal.

Nairn was named playoff MVP while Toyota's Kelly Cunningham was the league's top scorer, best offensive player and most sportsmanlike. Hamilton was the best defensive player and earned the most interceptions.

## At Legion Cross-Country meet
