**LAS VEGAS
OPEN 24 HOURS A DAY!**

THERE IS A SAYING: If you haven't been to LAS VEGAS in the last three years, you really haven't seen the 'desert town'! The **'FASTEST GROWING CITY IN NORTH AMERICA'**, which currently features some 110,000 hotel rooms - is changing every day. While they are 'open 24 hours a day', and gambling is and always has been the #1 reason to go there - now there is much more offered for you, and for your entire family!

OUR FIRST VISIT THERE IN MANY YEARS during this past week was a real eye-opener to see the many amazing new full-service resort hotels that are opening - mostly at the south end for now (it used to be the north end was the 'newer' end and the south was somewhat 'seedy', but not anymore). We stayed at the 5,005 room **'MGM GRAND'** - which boasts being the **'THE WORLD'S LARGEST CASINO/HOTEL COMPLEX WITH A THEME PARK'**!

FAMILIES ARE BEING ATTRACTED TO THE MANY BEAUTIFUL RESORT STYLE HOTELS INCLUDING 'NEW YORK NEW YORK' - a must-see-the street settings and buildings are identical to the Big Apple (Statue of Liberty too!), and they have a roller coaster which travels up to 65 m.p.h.; the **LUXOR** has an Egyptian theme throughout, including a pyramid, and also has an **IMAX** theatre; **MANDALAY BAY**; **HARRAH'S**; **MONTE CARLO**; **BALLY'S**; **FLAMINGO HILTON**; **MIRAGE**; - the list goes on and on - including the newly-opened this week, 3000 rooms with 8000 staff Italian motif, **'BELLAGIO'**! There are two more resorts of this size being built now, each with another 3000 rooms to add. Wow, what a selection for you and your family!

DID YOU KNOW DEPT.: Book your vacation with **SIGNATURE VACATIONS** at your local travel professionals, and you can get advance tee off times at any of over 30 golf courses in and around Vegas.

TRAVEL TIP OF THE WEEK: You can get a 'free' side trip when booking to Las Vegas, or book a rental car and drive to the Hoover Dam site.

Bringing The World To You Since 1961

Operation Impact results in more than 300 seat-belt charges

Halton Police have checked 15,430 vehicles across the region and laid 314 seat-belt charges since they kicked off their 1998 fall seat-belt campaign Oct. 3.

Along with the seat-belt charges, police laid five drinking and driving charges, and eight drive under suspension

charges. The seat-belt statistics show that Halton police are above the provincial standard of a 95 per cent compliance rate for seat-belt use.

Throughout the campaign, named Operation Impact, police will be ensuring that children in vehicles are secured in either a child restraint or seat-belt.

During last year's campaign, which focused on enforcement and education initiatives aimed at high-risk forms of driving behavior police checked 3,182 vehicles during a two-week period and laid six impaired driving and 37 seat-belt charges. Operation Impact ends today (Sunday).
