**MANUFACTURING INDUSTRY PARTNERSHIP**

**Johnson Controls Fortune 100 Company**

Johnson Controls is a leading North American manufacturer of automotive seating. Achieving outstanding excellence in the areas of quality, we pride ourselves in all areas of "Just In Time" manufacturing. Our strength in our team concepts and philosophy enables us to continue to improve and exceed our customer expectations.

We are presently recruiting for the following positions;

**MAINTENANCE ELECTRICIAN**

The successful candidate will be responsible for maintaining all areas of the plant, including production lines, utilities and most importantly the team atmosphere throughout the plant. Knowledge of hydraulic pneumatics, conveyors, jigs and fixtures are also needed for this shift work position. If you are an Ontario Licensed Construction or Maintenance or Industrial Electrician with five or more years experience, have working knowledge of PLC programming and troubleshooting, are familiar with control systems, robotics and automation, you may be the team member we are searching for.

**MATERIALS COORDINATOR**

If you possess a minimum of 3-5 directly related experience in an automotive Tier 1 environment, coordinating mainframe, MRP, JIT Shipments, trucking/logistics/customs documentation, inbound/outbound freight, high volume inventory turns and scheduling, you may be the ideal candidate.

Your strong computer skills, ability to handle customer and supplier issues, hands on approach and related post secondary education are a definite asset.

**MATERIALS ANALYST**

As a member of the Advance Program Launch Team, this individual will be the liaison between three J.I.T. Automotive seating plants as it relates to Supplier Packaging, Engineering Changes, bill of Material, supplier Development, Standardized Work, Purchase Orders, Prototype Inventory, and Packaging.

Candidates must possess a post secondary education coupled with a minimum of 5 years in a directly related environment.

This position requires frequent travel to the USA.

We offer a competitive salary and comprehensive benefits. Please forward your resume to:
