

Vehicle Maintenance Savings

New to Canadian Tire

MICHELIN

ARCTIC ALPIN PREMIUM WINTER RADIAL

- New tread compound improves grip and handling at lower temperature on ice
- Zig zag sipes provide firm control in high-traction conditions
- Circumferential arrowhead grooves trap and eject snow and slush for better traction
- High-contact tread design gives better traction on ice and snow and a quieter ride.

Introducing the 24-hour Power Assist Program**

Should your car need a boost, with this program help is as easy as 1, 2, 3, 4!

1. Call our Canadian Tire Power Assist 1-800 number anywhere in Canada or the United States.
2. Provide the battery type and serial number as well as the expiry date of your Power Assist Program.
3. We will dispatch one of our more than 100,000 service vehicles located throughout Canada and the U.S. at no charge to you.
4. Show the service provider your Power Assist Program validation sticker and you'll soon be on your way.

**Power Assist Program is free with the purchase of a new Motomaster automotive battery only.

Get emergency roadside assistance you can trust.
