Commencement set for Nov. 6

Teachers' contract changes students' schedules

By **MARIE JACOBS**
Principal, Georgetown
District High School

Students should have brought home the letter from Halton District Board of Education regarding the changes which are taking place in secondary school staffing and organization effective October 30. As a result, there have been some teacher changes as well as program consolidation for both semesters at GDHS.

Students will be advised by their current teacher about any changes affecting them this semester. Everyone is working together to fill vacancies prior to October 30 to

make the transition as smooth as possible for students.

Students will receive new timetables for Semester 2 before the end of November. Should any course selection changes be necessary, students will be contacted individually to reselect.

Events and Activities

A number of teams are up and running for the fall and winter season, sports are already recruiting players. Several clubs have begun as well.

We're looking forward to welcoming our graduates back for our annual Commencement on Nov. 6.

Thanks to all the community for supporting the GDHS

Craft Sale. As well as providing an opportunity for artisans and business people to display and vend their wares and an opportunity for everyone to purchase beautiful items for gifts or personal use, this great event earns profits for GDHS. Profits from the sale benefit GDHS students and programs like sponsoring the Skills Olympics and technological studies events and purchasing school computers.

A reminder that October 28 at 7 p.m. is the University Information Evening for Parents.

A meeting of the Parent Advisory Group will be held October 30 at 1 p.m. in Room 223.
