Reuse

Leferink Transfer is a privately operated facility certified with the Ministry of Environment & Energy to handle solid non-hazardous waste including residential, commercial and industrial wastes.

The most cost effective way to dispose of your waste is to recycle and bring the remainder to Leferink.

There are two ways used at the Station to charge for incoming waste.

For standard size garbage bags the fee is \$1.50 per bag (up to 5 bags)
For larger amounts the fee is pro-rated at \$125.00 per metric tonne
