WILSON - It's been just over a month now since Chris was taken so suddenly from our life. Sydney and I would never have been able to get through this awful time if it wasn't for all the help and support we received from our family and many friends. We were overwhelmed by the number of people who attended Chris' funeral. It was a wonderful tribute to his life and the kind of man he was. I would like to thank Jones Funeral Home for their compassion and professionalism, and NHGCC for welcoming friends and family. I would like to thank our neighbors and friends for their generosity and kindness bringing us food and offering to help with the baby. Thank you to my friends at the office for looking after everything for us. I would like to thank my friends Barb, Julia, Kim and Mic for staying and looking after Sydney, the house and me. I will never forget what you've done for us. To Kevin and Michelle, I can't thank you enough for your ongoing support. Also I would like to thank Kevin, Bob and Andy for sharing their memories of Chris. To all the people who comforted us through phone calls, donations to the Cancer Society, food, flowers and cards, thank you. I would like to thank my family for all their continued support through the worst time of my life, Mom, Dad, Julie, Steve, Rachel, Logan and Karoline...I love you. And finally, thank you to my husband, who I will forever miss, for showing me what love is. I will never forget you.
 Love, Carol & Sydney
