Inside you'll learn how to sell your home for more money by becoming knowledgeable about how to best prepare your home for sale, what fix-ups to make (and not to make) and what buyers typically look for.

You'll discover what questions you should ask a realtor, what you're supposed to do when an offer comes in and what takes place after the offer has been accepted.

This comprehensive Homeseller's Handbook also contains many other tips, techniques and charts which will help you to sell your property for the most money possible!
