

Heat is what I get
When for a short time I let
Pricing ads fill these lines
When all you want are rhymes

Go anywhere in a **Jeep**
Leftover '98's are really cheap
It's nice to get where you're going
During our season void of mowing

Well, here we go, this is for those
Who can't get enough of offbeat prose
Everything's OK, I appreciate your calls
Stop Checking my pulse when we meet in the malls

Intrepids and **Neons** are a great deal
It's like having a license to steal
The best prices this side of Keele
We won't cut into your next meal

Chrysler kicks in when we feature their autos
But relationship selling has been one of our mottos
So we'll do our own thing, if that's what you want
Stick to our game plan, proceed without paunt

Perhaps a **Stratus** or a **Breeze**
Give your wallet but a gentle squeeze
Or blow it all on a loaded **Ram Truck**
Guaranteed to haul through winter's muck

Winter's almost here
But you should have no fear
Georgetown Chrysler's got the gear
To move you when the ice is sheer

Yes we're in the spirit at **Georgetown Chrysler**
Catering to both spender and miser
It's your business I want, so give me a chance
A great deal you'll get, not a song and dance.

A **Minivan** with **All Wheel Drive**
Ensures that you arrive
Safely, that's our goal
At a price that rivals coal
