Guest had group seeing stars

Bannockburn Women's Institute met at the Civic Centre in Georgetown for their meeting. Roll call "Have you ever seen a meteor?" was answered by all.

Arrangements were made for visits to shut-ins at this Christmas season.

After all the business was taken care of, we journeyed to the council room where Stacey Green, Supervisor of Halton Hills Recreational Programs, welcomed us to the program called "Starry, starry night", one

of their many activities.

Stacey introduced Norm Elliott who gave us a talk and showed films and slides of the November evening stars, with all the planets, galaxies, and later outside we could view them from two large telescopes. Many thanks to them for this program.

Later the ladies went for refreshments at Tim Hortons.

Our next meeting will be our Christmas Dinner at Linda Cairns' home, Dec. 8. See you there.
