

At Acton Arena

# Zellers CF Skate-A-Thon set for Sunday

On Sunday, April 11, Georgetown Zellers will host their 2nd annual Skate-A-Thon for Cystic Fibrosis at the Acton Arena from 12-4 p.m. This day is much more than a skate-a-thon it is a day filled with fun, games, entertainment and excitement for the whole family.

Monies will be raised from pledge sheets and other activities at the event. Although pledge sheets are not necessary to be a part of the event, participants are encouraged to get a pledge sheet from Zellers customer service and get pledges for the skate-a-thon.

This year the Acton Figure Skating Club and members of the Halton Hills Figure Skating Club will begin the skate-a-thon with a few routines by their talented skaters. Following this opening, the ice will be open to begin the skate from 1:20-2:30 p.m. If you are not able to skate, there will be activities for the whole family in the hall next to the rink. Planned to date are a bake sale, silent auction, penny sale, face painting, clowns and, of course, Zeddy and much more.

The Acton Kinsmen and Kinettes will be offering their support and help at the event as well. The Kinsmen and Kinette

clubs across Canada have supported CF since 1965 and as a national project since 1986.

There will be prizes for the youngest and oldest skater, as well as the most pledges.

All proceeds for these events are donated to the Canadian Cystic Fibrosis Foundation. Cystic Fibrosis is a genetically transmitted, fatal disease which affects the lungs and the digestive system of one out of 2,500 Canadian children. CF takes the lives of more Canadian children than any other inherited disease.

**ROBERT E. CLIPSHAM**  
P., Eng., O.L.S.

The Association of Ontario Land Surveyors is pleased to recognize one of their newest members of their Council of Management, namely, Robert E. Clipsham, P.Eng., O.L.S., of the firm R.E. Clipsham Limited, Halton Hills. Bob is embarking on a possible six-year commitment to his profession. The Association of Ontario Land Surveyors is a body corporate constituted by the Statutes of Ontario since 1892.

As a duly elected Council member, Bob will be upholding the principle object under the legislation in that, "the public interest may be served and protected".

The Association, always conscious of its obligations to the public, is constantly upgrading its members in all phases of surveying, including cadastral, geodesy, photogrammetry and hydrography by keeping the membership informed on the changes in these specialties and by developing and implementing education seminars and programs.

The Association of Ontario Land Surveyors is part of an international community of land professionals. The Association of Ontario Land Surveyors membership is made up of over 700 land professionals. Their combined skills are a valuable resource, recognized, remembered and respected world wide. The Province of Ontario has assigned the members of the Association of Ontario Land Surveyors the responsibility for the determination of natural and artificial features on the surface of the earth and their graphic and digital representation and their storage for legal and historical purposes.
