

Rotary Club of Georgetown is on a campaign to increase membership. At a recent meeting club president John Hill (left) and member Peter Zavitz (right) inducted Dave Carson, the first of a number of new members the club hopes to add over the next few months. Anyone interested in the club's work, call Dino Deligiannis, 873-4994.

More students at GDHS next year

By **MARIE JACOBS**
 Georgetown High School principal

April will shower us with activities such as the Spaghetti Dinner and May flowers will be in evidence at the spring Fashion Show, where arts and family studies students will display their creations. Our technological studies students will test their prowess at our upcoming Skills Olympics. April also sees the beginning of many of our spring sports. We have ten teams running—a new record! We invite parents and community to join us for these events and competitions!

Parents are encouraged to come out on Parent Interview Night, details of which will be included with the newsletter sent with reports.

Planning for the coming year is already well underway! Enrolment is projected to increase by about 20 students. Staffing is almost the same for the coming year, with the exception of guidance, which has been reduced by half. With all the changes and uncertainties of the past few years, it is a relief to be able to have staffing almost in place already and timetabling about to begin. Parents of incoming Grade 9s will receive a form this week for selecting course type (Applied or Academic) for the core subjects.

Many thanks are due to our School Council Substance Abuse Subcommittee for their efforts in sponsoring the Ultimate Mix Challenge, a contest for the best non-alcoholic drink, and the upcoming programs such as CHAT (Community and Hospital Against Trauma) and to our Parent Advisory for the fund-raising for Science 2000. We sincerely appreciate the parent, community, and business support of our activities. Your time, donations, and contributions of goods such as prizes for competitions or items for auction really help GDHS.
