Day loses Liberal bid

A retired school principal from Oakville will challenge Halton North MPP Ted Chudleigh in the next provincial election.

At a nomination meeting Wednesday night, local Liberals chose Mohan Anand to represent them following a three-way race.

"This is a victory for all of us," Anand told the crowd at John Tonelli Sports Centre in Milton. "It's the beginning of the end for the Conservative people. With your help we are sure we will be able to win this seat."

Halton Provincial Liberal Association members cast 756 ballots — three ruled invalid — with the majority preferring Mr. Anand to Halton Hills Councillor John Day and former chemical company manager Paul Tate of Milton.

The number of votes per candidate wasn't disclosed, however sources say the race was close.

Two young Georgetown men have been charged with arson after an investigation into the January 10 IGA fire determined the blaze was deliberately set.

Two charged in IGA blaze

Two Georgetown residents have been charged with arson causing bodily harm in connection with the \$1 million fire that gutted Halton Hills IGA and injured a firefighter in January.

Halton Police and the Ontario Fire Marshall's Office originally could not find any evidence the fire was deliberately set, but as a result of an ongoing investigation by police the cause of the fire was determined as arson. Detective Sgt. Jackie Gordon said it was determined the blaze was started when boxes at the front of the store were set on fire. They arrest-

ed two Georgetown male youths in connection with the blaze Tuesday night.

Charged are James Rommelaere, 20, of Guelph St. and an 18-year-old Georgetown male who was 17 when the incident occurred, so he has been charged under the Young Offenders Act.

Rommelaere was held for a bail hearing Thursday and the 18-year-old is to be in court on May 21. The maximum penalty is life in prison.

Gordon said police are continuing to investigate the IGA fire "and other fires in the Georgetown area."
