EARTH DAY
is a day to help out your environment.
Plant a tree, use biodegradable products, recycle.
There are lots of ways to keep our earth clean.

Join these local businesses to keep our planet rotating.

The Green Cone

Food Waste Digester

- Uses solar energy to eliminate all food waste, including meat, bones, vegetables.
- Does not smell, does not attract animals or pests.
- Reduces household waste headed to our landfills by 30%.
- Requires little to no maintenance.

Eliminating household organic waste at the source!
