OR TOUR: Georgetown Hospital operating room nurse manager Anne Deoni and surgeon Dr. Andy Anand conducted a tour of the operating room for Jonathan and Petra Fischer, (right) of Mold-Masters Limited to explain some of the functions of the newly-acquired high-tech operating room equipment which was purchased following a \$150,000 donation from Mold-Masters last year. The equipment has expanded the capabilities of the local OR, giving the hospital a leading edge in modern surgical procedures.
