**Learn Why Attending The  
Workshop is Critical  
Before Buying!**

Since September 1997, house & condo purchasers have been turning out to attend an

extremely informative two hour buyer workshop held in Georgetown. The November Workshop attendees comments have been terrific . . .

Simon said "An outstanding presentation. I don't know how it

could be improved!"

Carolyn's remarks were "The handouts cover a lot of information too! I'm looking forward to reading it all! I think the content was excellent."

**BEFORE YOU LOOK AT ANY HOMES . . .  
THERE ARE 10 THINGS YOU SHOULD KNOW  
ABOUT BUYING IN HALTON**

**If you don't, it will likely cost you thousands of dollars!**

Those 10 points, and a lot more topics, will be covered in a hard-hitting compact 2 - 2-1/2 hour **Home Buyers Workshop** designed to answer ALL the home buying questions you might have.

Do you know how expensive a house or condo you can afford? Are you aware of the government programs you can use? What do the terms mean? CDS and TDS, CMHC, and appraisals and closing costs and buyer agency etc.

We'll take the confusion away and replace it with practical, down to earth knowledge that you can use now.

We'll make it simple. From

getting started to getting moved in, we'll lead you all the way through the process.

We'll demonstrate renting vs buying, how to pay off your mortgage quicker, how to use RRSP's towards a down payment.

We'll show you what clauses and conditions you should always include in your offer and how buyer agents negotiate the best price on your behalf?

The next Home Buyers Workshop in Georgetown will be held:

✓ **Tuesday, April 27 starting at 7:00 p.m. sharp to approx. 9:00 p.m.**

It is FREE (normally \$35) and you can bring a guest if you wish.

This workshop is presented by Yvan Desjardins, Sales Representative for Re/Max Blue Springs, with Guest Speakers: Laurent Thibault, Equion Financial Group; Glen Collier, Royal Bank; John Cooke, Amerispec; Richard Howitt, Solicitor.

To learn more about this seminar, please call Yvan or Karen @ 877-5211 or 1-800-834-5516.

**Don't delay . . . there are only 20 seats available at each workshop!!**
