Cabaret starts mini-run at the JET Thursday

Footlight Productions presents Cabaret, May 13-15 at 8 p.m., with matinee performances on May 15 and 16 at 2 p.m. at John Elliott Theatre, Georgetown.

Set amidst pre-Second World War, the seediness of Berlin's changing life unfolds, mirrored by the goings on of the popular Kit Kat Klub. We watch the story with the campy and eccentric Emcee played by Nelson Cabral who has unique and disturbing insights.

It's about the non-fairy tale romance between a writer, Cliff, played by Chris Nosek and Sally Bowles, a Cabaret performer from

the Kit Kat Klub. Sally will be played by Tara Baxondale and Elke Ross.

A sub-plot in the stage version involves a Jewish couple, Fraulein Schneider, played by Morgan Davidoff, and Herr Schultz, played by Tony Rosa.

Tickets are \$18, with a senior rate of \$15.50. Group rates are also available. The tickets can be obtained by calling (416) 410-3080 or (877) FOOTLIGHT.

This musical is being presented by Footlight Productions led by directors Karoline and Scott Larmon (Blood Brothers), choreographer Cheri Gibson (Crazy for You) and

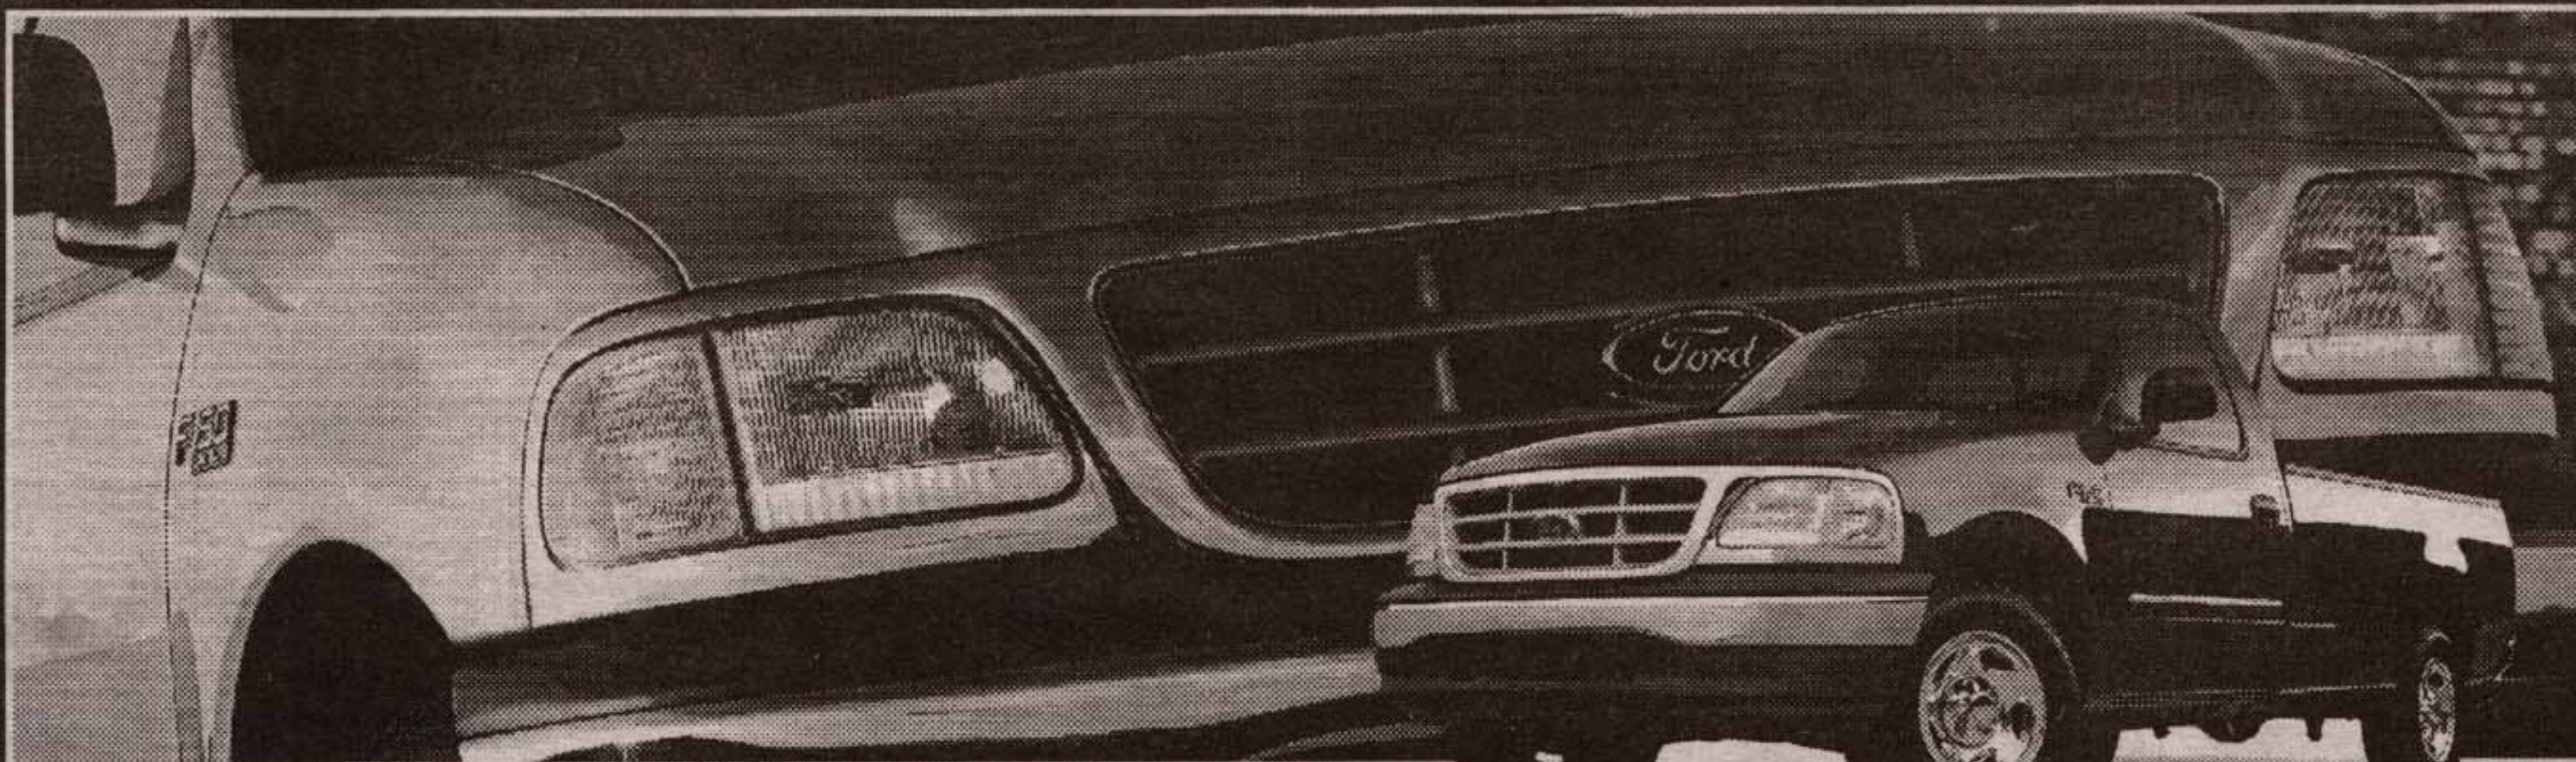

musical director Sharon Reid (My Fair Lady).

Footlight Productions' goal is to have shows with shorter runs, yet tour their productions to multiple theatres within the Mississauga, Brampton and Georgetown areas. The major productions will remain intact so they can be remounted for various performances. In addition, they will develop smaller shows to tour dinner theatres. Within the first couple of years, it is Footlight Productions' goal to create a catalogue of stage shows, to market the south central Ontario area as fundraisers, dinner theatres and cabaret.

Tooth Chatter

by
**ALEX
TRENTON
DENTURIST**

"HAD A FALLING OUT?"

If a tooth is lost it's important to replace it with an artificial one to prevent your other teeth from drifting out of line. These neighboring teeth can become more susceptible to decay and gum disease. Tooth misalignment can also cause jaw problems.

These are four main types of artificial teeth. Each is designed to solve a specific problem.

- A removable partial denture
- Complete or full dentures
- Dental implants
- A fixed partial denture or fixed bridge

Be sure to carefully consider which dental prosthesis is right for you. You do not need a referral; simply call our office direct.

Consultations are always free. If you have any questions regarding your dentures, give our office a call.

You do not need a referral; simply call our office direct.

We've been creating confident smiles since 1982!
