### Early planting

Four-year-old Cameron Killender helps prepare Harrison School's new Habitat Garden for its official opening next Friday. A special planting day was held earlier this month when volunteers from the community and members of the Halton/North Peel Naturalist Club planted large trees and shrubs. Students on Tuesday will plant small shrubs and plants.

### OVER 25 PREVIOUSLY ENJOYED SATURNS AVAILABLE

It goes without saying that a new car comes with a warranty. But, too often, a used car goes without one. Well, if it's a Used Car from Saturn, you're covered. For example, all our used Saturns that are less than five model years old, with under 100,000 km on them come with a zero-dollar-deductible, 12-month/20,000 km Extended Vehicle Coverage warranty. In fact, all our used cars come with warranties, our three-day or 250 km Money-back Guarantee, and Saturn's no-hassle, no-haggle buying experience. Thinking about a used car? Think about Saturn.
