Students support ALS

Members of the Student Council and Student Athletic Association (SAA) at Georgetown District High School decided to honor the father of one of their students by collecting admission at a game, and donating the proceeds to the ALS Society (Lou Gehrig's Disease), in memory of Bert Osborne. Student council president Onirik Sarma presented the cheque to SAA teacher advisor Wendy Mendlow.

Local group donates books to the library

A donation of 38 new books and tapes on gardening was made to the Georgetown branch of the Halton Hills Public Libraries at the Georgetown and District Horticultural Society's meeting on May 19.

Accepting the donation was librarian Geoffrey Cannon, himself a keen gardener.

"As Georgetown expands there is an ever increasing number of new homeowners looking for basic gardening knowledge. Helping these gardeners has become the focus of our Society's activities and pepping up the library's gardening section is just one of the many ways that the Society is trying to meet this need," said Society president Bill Pooke.

The donation was enhanced by the co-operation of DDH Distributors that allowed representatives of the Society to attend its annual book sale preview last November to purchase the widest possible selection of gardening books at reasonable prices.

THE VALUE OF A "SMILE"

It costs nothing, but creates much. It enriches those who receive it, without impoverishing those who give it. It happens in a flash, but the memory of it sometimes lasts forever. It cannot be begged, borrowed, or stolen but it is of no earthly good to anyone, until its given away! So if in your hurry, you run across someone too weary to smile, leave one of yours! Because, no one needs a smile as much as he who has none to give.
