Rehearsals begin for Crisp's The Great Sebastians

Crisp Productions' comedy, *The Great Sebastians*, opens June 24 at John Elliott Theatre. Left: Essie and Rudi Sebastian, (Pat Boothman and Neville Worsnop) prepare for their famous mind-reading act at which communist thug General Zandek forces them— under the threat of arrest— to 'reveal' enemies of the state by reading their minds. Tickets are available at the box office by calling 877-3700, or for group rates at (519) 855-6896.

Kim Mitchell headlines Big Chill dance

The Big Chill, which has been an important and popular fundraiser for local area sporting groups over the past 11 years has had a facelift.

This year the 12th annual Big Chill will feature Canadian rock icon Kim Mitchell as headline entertainer for its Saturday, June 5 dance at the Memorial Arena in Georgetown. The former Max Webster legend promises a night to remember.

Proceeds from the Big Chill will go to support six local area sports groups: The Georgetown Minor Hockey Association, The Halton Hills Gymnastics Club, the Georgetown Baseball Association, The Georgetown Jr. 'A' Raiders, the Georgetown Ladies Powderpuff League, and the Men's Flag Football League. Tickets are \$22 and are available by calling 877-9694.

Only a limited amount of tickets are available and admittance is restricted to those 19 years of age or older.

Features or Necessities?
 Most manufacturers refer to these as features and include them only in their most expensive units. We call them necessities and put them in every unit. Because of this devotion to quality we have achieved the lowest failure rate in our industry.

- G-90 Galvanized Steel Cabinet with appliance quality, baked on Powder Paint gives durable protection and attractive appearance.
- Totally Enclosed Condenser Fan Motor is permanently lubricated - the best in the business.
- Quiet Operating Top Discharge Fan with precision designed and balanced blades.
- Custom Rifle Bored Copper Tubing increases efficiency.
- Safety Grill protects the coil.
- Lanced Aluminum Fins are thinner and more numerous for maximum heat dissipation.
- Factory Installed Liquid Line Filter Dryer keeps the refrigerant system clean for longer life.
- Elevated Base Pan protects the unit from rust.
