

Busy days at Limehouse Memorial Hall this spring

During the month of April, the Limehouse Community Ladies quilted a fan quilt. They are selling tickets to further support the Limehouse Hall. Draw will take place at the Community Carol Sing on December 11.

Saturday, May 15 was Achievement Day for Halton 4H Batter Up Club members. Leaders Leah Brooks and Beverley Rogers deserve congratulations.

President Scott Martin served efficiently as emcee and introduced Victoria Brooks, Colleen and Lisa Burt, Rebecca Burtney, Elaine Coles, Sarah Lewis and Linsey and

Melissa Rogers, who in turn gave a summary of their seven meetings.

Angel food, white, chocolate, coffee cake and cheese cakes made by the 4H members was served to family, friends and members of Bannockburn and Limehouse Women's Institutes with care and courtesy.

Open House on Sunday afternoon saw 100 or more guests visit the Hall, read of historic events and enjoy a Color Party presentation from the Georgetown Legion. Glenda Benton gave a resume of the trials in updating the Hall and a thank you to all who

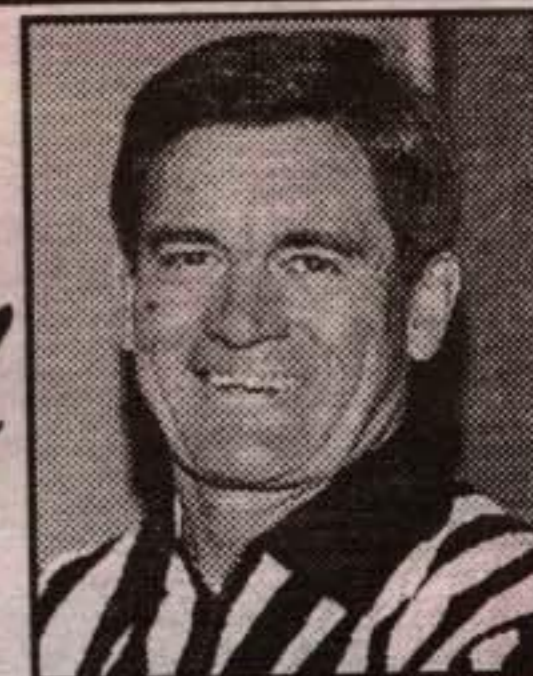

donated money, time and expertise to finish renovations and stay within our budget; yet make Limehouse Memorial Hall a good place to hold a meeting, birthday or anniversary celebration.

A dedication plaque was unveiled by Joe Brooks. This donation was made and presented to us by Eric Knoespel of Art Cast of Georgetown. A special thank you for the veggie trays, tarts, cookies and squares provided by the community ladies and enjoyed by all.

WANT TO GET MARRIED - ON A CARIBBEAN ISLAND?

ST. MAARTEN IS THE PLACE TO BE FOR MANY to do it - ON THE BEACH, IN A GAZEBO, or ON A HILLSIDE GARDEN - you can get married on the same day you arrive! All the necessary paperwork has to be done ahead of time, of course, but whether you fly in directly, or this a stopping point on a CRUISE you take - it's there for you to have A MEMORABLE WEDDING SETTING. This small island is one of our favourites - it offers a cross section of Dutch and French cultures, has a variety of terrain, the people are friendly, and the main street of Phillipsburg - especially when a cruiseship is in town, is a SIGHT TO SEE! One can tour the whole island in a matter of hours.

CRYSTAL CRUISES - THE FAVOURITE OF MANY has quite an array of DEPARTURES lined up for their clients to choose from this year - 68 DEPARTURES ranging from a trip of SEVEN DAYS right up to 99 DAYS! Their 99 DAY WORLD CRUISE out of Los Angeles to Lisbon, through the South Pacific, Australia, Asia, India, the Middle East, Africa and Europe, is one of their highlights. Along with other cruiselines, they too have some GREAT MILLENNIUM TRAVEL OPTIONS!

MEDITERRANEAN CRUISES ARE STILL POPULAR with many, even though the Kosovo conflict - although distant from Europe's top vacation destinations - has definitely affected total travel abroad. Additional cruise itineraries had been added for the season in the "Med" ports, based on last year's tremendous interest. Several cruise lines altered their routes to stay some kilometers away from this area, at present. Air, land, and cruise products abroad are all seeing less activity. CRUISES TO ALASKA are seeing the benefit, as many are switching their plans to make this junket, and putting off their Mediterranean cruise to another time.

DID YOU KNOW DEPT.: FREQUENT FLIER "POINT HOLDERS" for airline travel are "ACCRUED LIABILITIES" to these carriers!

ADVERTORIAL

High school's almost out and it's that time of year again. Students are frantically looking for that summer job that will give them some extra cash in their pockets. Whether you're saving for next year's tuition or a vacation in the fall, our office is now full of student positions that are available in Georgetown and Acton. We are constantly putting up new job orders on the Internet as well as on our job boards. Summer Jobs Partnership has joined services once again to ensure both the students and the employers benefit for the summer months. Sheridan College's Summer Job Service is a program that helps match employers who are looking for summer help with students who are looking for a job for the summer. Our bonus is that we offer the employers a two dollar an hour wage subsidy.

The Human Resource Centre for Students is a program that advertises all student positions whether it be a full-time summer job or an odd job that only lasts for an afternoon. Home owners, give us a call! We can get some students to come to your house and help you out with some yard work or household chores. We have baby-sitters who are looking for families for the summer. We advertise all your jobs for free and we can do the student screenings for you. So students, drop by our office to see what kind of jobs are available for you this summer. We can also help you out with your cover letter and résumé writing. We have computers for typing and the Internet, photocopiers and fax machines all for the students to use for free. Come by and say hi, we're open Monday-Friday 8:30-4:30 and we're located at 232 Guelph St. (in the Human Resources building). We can be reached by phone at 877-7797.
