The Harris government has cut more than \$1.2 billion from Ontario's classrooms. That money is being used to pay for tax cuts that benefit the wealthy most of all.

# Kids deserve better

**T**HE HARRIS GOVERNMENT has cut deeply into education. Important programs, such as special education, library, guidance and music are being cut back. There are not enough textbooks to meet students' needs. Class sizes of over 30 students are common across the province. Schools will close. The cutbacks mean fewer staff - secretaries, caretakers, teachers, teachers' aides - in Ontario schools. These changes have gone too far, too fast. Think about what this means for your children, your grandchildren, your neighbours. **Act now, before it's too late.** Vote for MPPs who are committed to public education. Protect our children's future.
