Insurance firm offers sky-high opportunity

For those who have no aversion to heights, there will be an unique opportunity to explore the town at an all-time high.

As part of Pilot Insurance's 70th anniversary, the company has offered

the use of a hot air balloon to its 300 brokers across Ontario. Only 15 weekends were available, from May through October, and local insurance broker Paul Armstrong has made arrangements to bring the hot air balloon to town September 11 and 12.

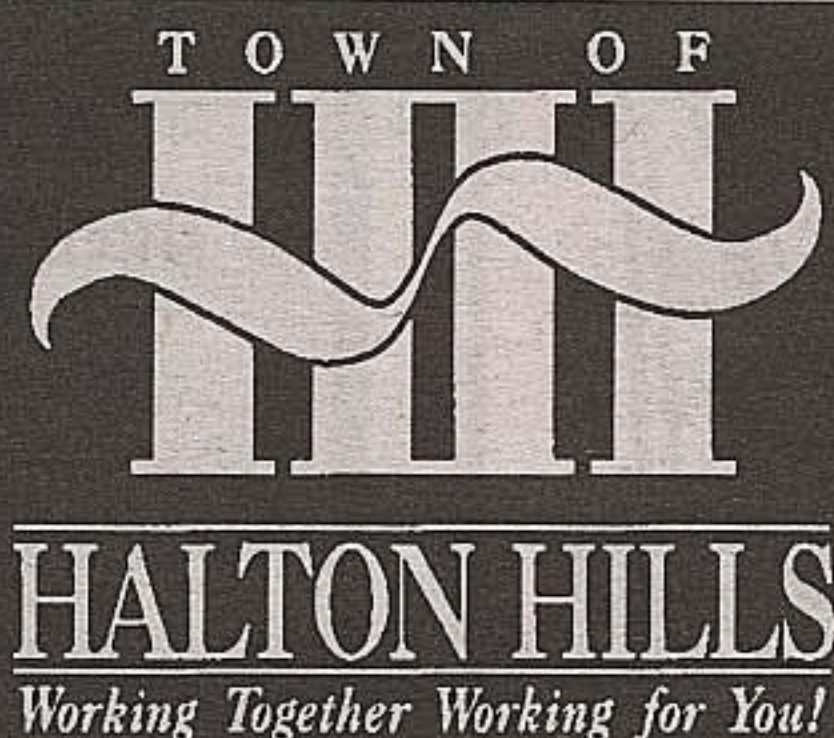

Armstrong will be running a draw to give away two launches for two, complete with champagne at the landing. If possible, they will be sunrise launches, weather permitting. Although there is no charge for the draw tickets, Armstrong is asking participants to make a donation to the Georgetown Hospital Foundation with every entry.

Tickets will be available at Paul C. Armstrong Insurance, the Georgetown Hospital Foundation

office at the hospital, Halton Hills Civic Centre, Georgetown Marketplace Mall and Shopper's Drug Mart. Tickets will also be published in The Independent & Free Press prior to September 9, when the winning ticket will be drawn.

The balloon will also be available for tethered rides located on the open field just east of the Civic Centre on Maple Avenue. The tethered rides will run Saturday and Sunday, from 9 a.m. to 11 a.m., and later in the day from 7 p.m. to 9 p.m.

The tethered rides will last approximately seven to 10 minutes, and a minimum voluntary payment of \$2 per person is requested, again with all proceeds going to the Hospital Foundation.
