**Rotary Club of Georgetown**

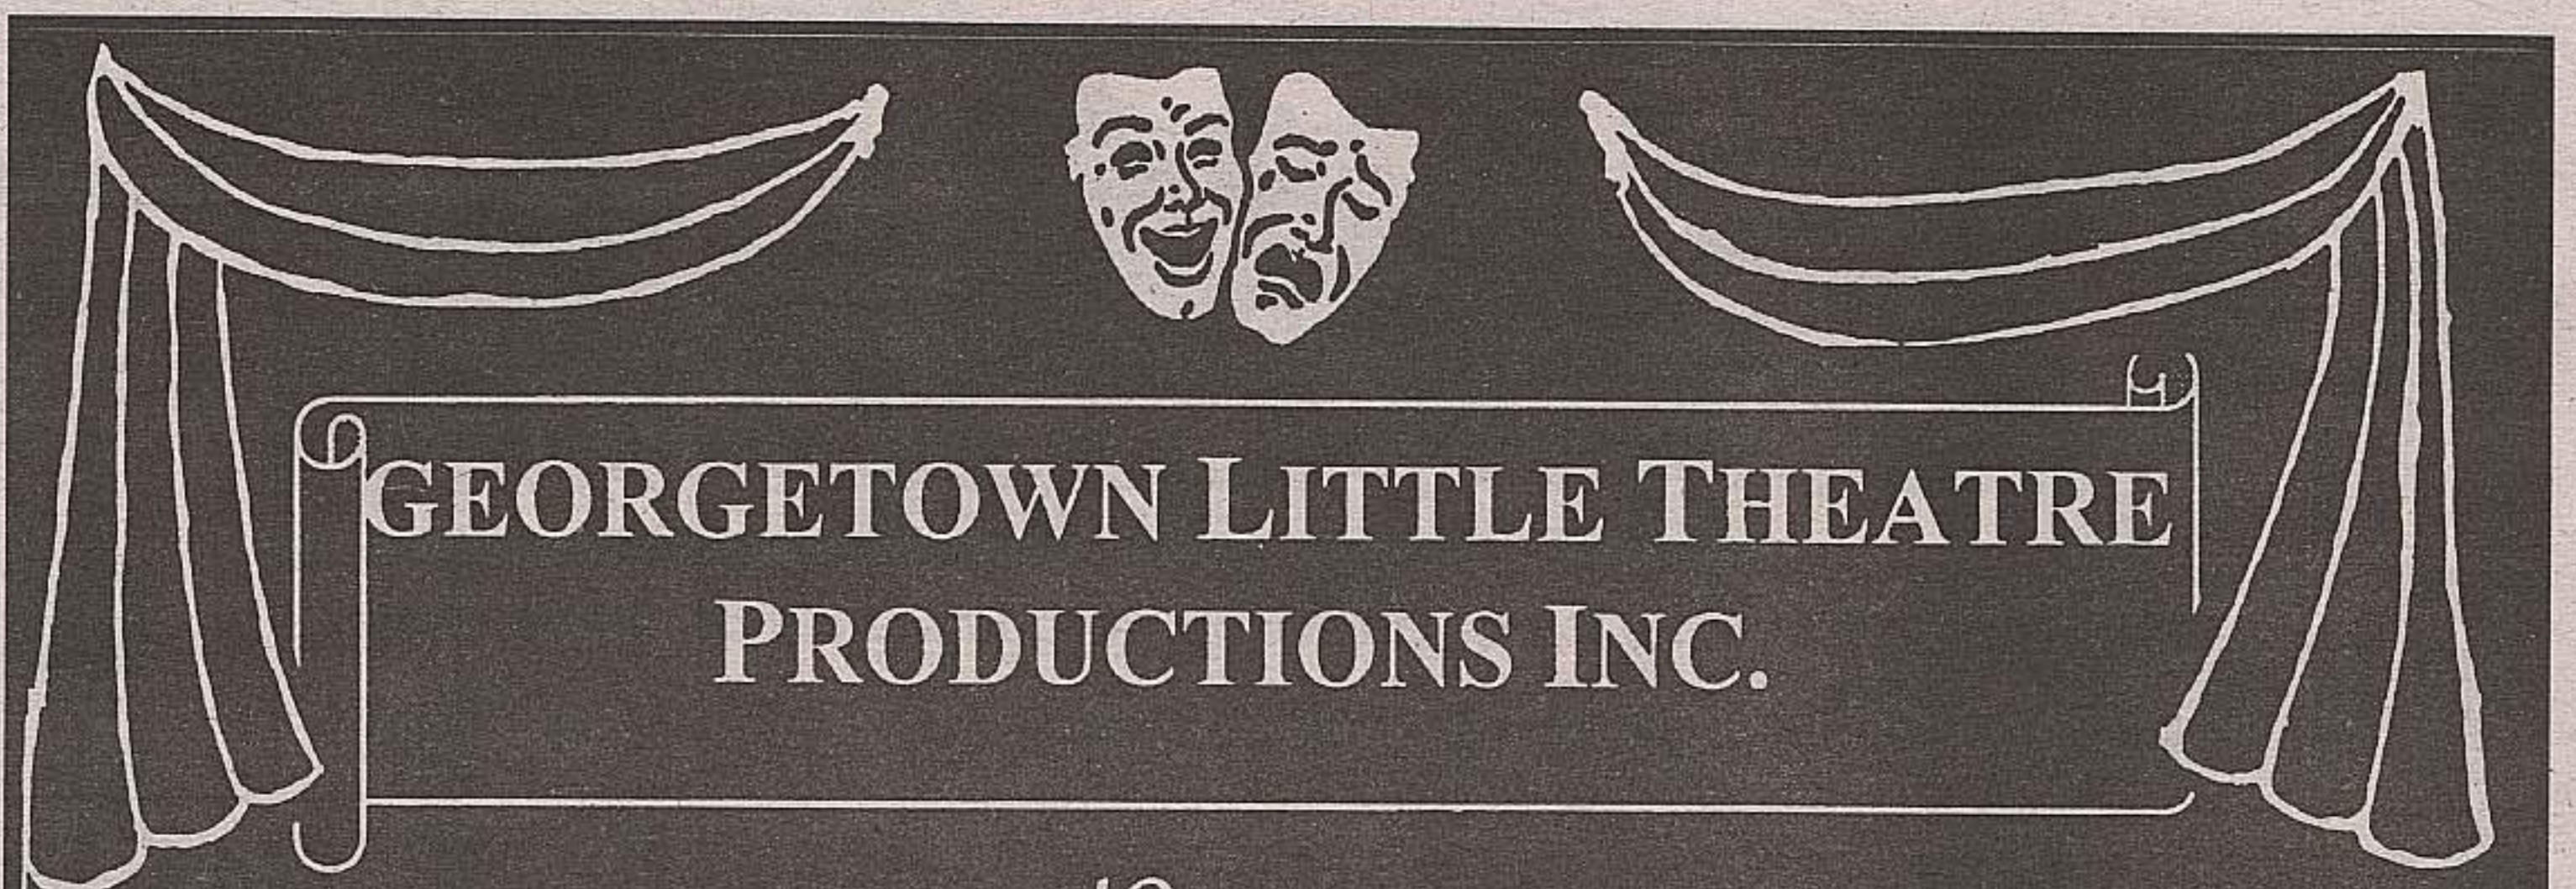

**NEWS**

A new season is almost upon us. At Rotary this means fine tuning the plans for the year, adjusting budgets and working hard to get the funds to do all the things we have set for ourselves. Just like any other family. This year we will continue with the established programs. These include International Youth exchange; support for local causes including; the annual Senior Citizens' Dinner, which brings about 300 seniors together; awards to the local high school students, and donations to worthy causes. There is also support for international program such as the Opportunity Village in Nepal; and disaster relief, who can forget Mitch, Kosovo and more recently Turkey. The extent of support given to the programs depends very much on our ability to raise the necessary funds.

We always try to make fund raising a fun raising event. Two examples of fund raising are coming up in the next few weeks. First we will be selling back-bacon on a bun at the Fall Fair. This is an annual activity, and we are gradually getting better at it; we will also be donating the use of a 30' by 30' tent to the fair as a community service. When you are at the fair please drop by our location and buy some back-bacon on a bun.

The other fundraiser is very different in nature and is more involved. This year we will be hosting our second annual Gala Dinner and Auction. This is a fun evening with a fine dinner, soft dinner-music, entertainment, a live auction, a silent auction and draw prizes. This event is being held at the Georgetown Golf and Country Club on Friday 1 October 1999. The items to be auctioned include Via Rail tickets to Quebec City (this trip includes hotel for two nights); fine dining; two cars and many other great items.

It has been reported recently that people doing voluntary and charitable work live longer and get more out of life. To find out how you can more out of life by giving some of your time, come to a Rotary Club meeting. For more information please contact Dino Deligiannis 873-0166.
