## AN RV OUTING IS A GREAT EXPERIENCE!

IF YOU WANT TO EXPERIENCE A WHOLE NEW APPROACH TO VACATIONING, then consider renting a motorhome and go on a tour. We have just completed a week in ALBERTA TOURING THE ROCKIES in a 27 footer and it is a wonderful experience. The independence of going where you want - when you want, and there are many choices of locations to park in, and no packing and unpacking - you have your 'home' right with you! THERE ARE MANY PLACES YOU CAN FLY TO AND RENT A MOTORHOME from a variety of companies. They are easy to drive, great for taking the whole family, and a super way to see our beautiful country.

CRUISE CANADA is an example, they have outlets in Calgary (where we started from) Vancouver, Toronto and Montreal. Your travel professional can assist you with planning and booking the air and the motorhome. You can even BOOK ONE in FLORIDA!

'THE STRIP' AT LAS VEGAS KEEPS CHANGING WITH NEW RESORT TYPE HOTELS RISING left, right, and centre! The latest, PARIS LAS VEGAS is a good example, built at a cost of some \$785 million US and featuring a 50-storey high replica of the EIFFEL TOWER. Vegas now features a replica Statue Of Liberty, a pirate ship, a pyramid, a fake beach with machine-driven waves, amid its offerings. VENETIAN, at a cost of 1.6 billion US just opened recently, and of course there is MANDALAY BAY, and BELLAGIO, which are new and up there in that \$\$ bracket. Of course BALLY'S PARK PLACE and FLAMINGO HILTON, a couple of old standbys are still there doing what they do best. IF YOU HAVEN'T BEEN TO LAS VEGAS FOR A WHILE, or never have been - it's a MUST-DO to GO THERE. You could possibly win a fortune, but for sure you will see some remarkable sights in the new family-oriented 'Vegas.

**DID YOU KNOW:** PUERTO VALLARTA on the Mexican Riviera is one of the most popular vacation destinations for all Canadians, due to the great beaches and variety of other things to see and do.

### DENTURISTS AND YOU

Any loss of your natural teeth is a regrettable occurrence. Fortunately it is one that can be remedied usually with excellent results. Today's Denturists (or Denture Therapist) apply all their skill and knowledge to provide you with a substitute that perfectly suits both the shape of your mouth and your smile. You benefit from the personal attention of the Denturist from start to finish.

Although less known than other professions, Denturists are providing an important health service directly to the public. Not only does the Denture Therapist provide a full range of dental services directly to the patient, but he provides this service at a cost that makes wearing dentures possible for many who could not otherwise afford them. "Personalized" dentures are no longer the preserve of the wealthy. You may be surprised at the reasonable fees the Denturist can offer are free of charge. Also it is important to note, that there is no GST or tax of any kind on dentures. They honour all insurance plans, D.V.A. & Social Services claims.

We also offer visitation services. We will go to see patients in hospitals and nursing homes, and in special circumstances, we will make house calls. It's the Denturists Association of Ontario's commitment to bring service with integrity to the profession of Denture Therapy. Our experience is unique, as we are the only profession legislated specifically for one purpose - to make dentures.

You do not need a referral, simply call our office direct.

## Guide to the Outdoors

Julie Pomeroy

How do you get to the CREDIT VALLEY FOOTPATH, now that the trail connection to Norval has been closed through Upper Canada College? From Canoe Country in Norval, take Winston Churchill Blvd. (Adamson St.) North to River Road (Mayfield) 3.9 km. Turn left, drive 1.3 km. and turn left again at the 10th line. You can park at the end of this dead end dirt road. Danger. Stop and use extreme caution over the railway tracks. Watch for blue blazes marking the side trail. Refer to Map #13 and pg. 11-3 in the Bruce Trail Reference Guide. Purchasing this map guide or becoming a member of the Bruce Trail Association helps to protect and maintain this wonderful resource.
