Gaberlunzie will perform at the Ballinafad Community Centre on Oct. 2.

Gaberlunzie returns

Hickory Falls Ratepayers Association presents Scotland's premier folk duo, Gaberlunzie, in a fall performance of modern and traditional Scottish songs at the Ballinafad Community Centre on Saturday, Oct. 2 at 8 p.m.

Musicians Gordon Menzies and Robin Watson have recently been honored with Scotland's Oliver Brown Award, and will perform from their popular repertoire, which includes The Wallace, McPherson's Rant and their own compositions, Summer Storms and Full Circle.

This year makes Gaberlunzie's fifth annual visit to Ballinafad. Their one-night performances have traditionally sold out. Tickets are \$15 each, available at the Ballinafad General Store or Darlene Moore at 873-4917. Proceeds from the performance go to the work of protecting Niagara Escarpment lands.

Special guests: Swingtime

Top magician, Orion, performs at local church fund-raiser

Do you believe in magic? Come share the magic of Orion, a show filled with magic, music, comedy and audience participation.

Orion is a member of the Society of American Magicians, the International Brotherhood of Magicians, and the Magic Circle of London England.

He will appear at the John Elliott Theatre on Oct. 2, in an evening of magic and music being hosted, as a fund-raiser, by the United Church Women of St. John's United Church. Proceeds will go towards a new roof for the church.

To add to this evening of entertainment will be the dynamic sounds of Swingtime. This exciting trio was formed from three experienced Sweet Adelines who wanted to try something different, while exploring their love of 1940s and 50s music.

Also appearing on the program will be some musically talented members from St John's

Magician Orion performs at the John Elliott Theatre.

United Church.

For tickets contact the Box Office at John Elliot Theatre, 877-3700.

ALEX TRENTON
DENTURIST

DISCOVER YOUR DENTURIST IF YOU WEAR DENTURES

1. Avoid using pads, liners or denture adhesives to improve the fit of your dentures. If they're loose, see your dentist. Your gums, like your eyes, change as you get older. Dentures, like eyeglasses, must be adjusted or changed periodically.

2. Avoid using very hot or very cold water on your dentures, and don't let them dry out. Such extremes can cause your denture to warp.

3. Remove your dentures overnight and put them in a container filled with water. This won't cause your face to sag! It will give your gums a needed rest. Healthy gums will extend the life of your dentures.

4. Have yearly check-ups. Our office does not charge for consultations. If you follow these tips, your dentures will fit, function and look their best.

Your do not need a referral; simply call our office direct.

Natural Health News

THE AMAZING IMMUNE BOOSTER

So often we hear people say, "I'm looking for that herb my friend uses to help her fight off colds." Sometimes they can't remember the name, or don't know how to pronounce it - but we know what they mean right away. In the past 50 years, echinacea has achieved world recognition for its ability to enhance the body's natural defense by nourishing the immune system. It helps fight off viral, bacterial and fungal infections, as well as building resistance to colds and flu.

A native plant of Canada and the northern United States, you may even find echinacea (purple cone flower) growing in your own backyard.

Guide to the Outdoors

Julie Pomeroy

The Halton/North Peel Naturalist Club is offering young people a wonderful opportunity to learn about nature and be involved with others in exploring the outdoors. The YOUNG NATURALISTS are scheduled to meet one Saturday a month from 1-4 p.m. and parents are encouraged to participate. Cost is \$10 per year per child. Activities include identification of trees, birds, flowers and animal tracks in winter as well as many other programs that will take place at Willow Park Ecology Centre. For more information call Bev Whatmough 877-9053. Peterson First Guides are excellent references for young naturalists and cover a wide range of subjects; available for \$9.95 each.

Q: Why did the chicken cross the road?

A: To live longer.

By walking across the road, the chicken gained a healthier heart and lungs... and a positive attitude.
