

Helping Rose's kids

Following Stewarttown Middle School's successful fund-raising silent auction, the parents' council donated a portion of the proceeds to Rose Cherry's Home, at Speyside, which will be opening in the future as a hospice for terminally or chronically ill children. On hand for the presentation were (from left) Rose Cherry's Home campaign co-chair Rita Albin-Curtis, director Father Mark Curtis, campaign co-chair Joyce Hagevik, Stewarttown Middle School parent council chair Kerry Samuelson, council members Joanna Canbruzzi, Susan Hall, principal Peter Vidler and Kathy Emigh.

DENTURISTS AND YOU

Any loss of your natural teeth is a regrettable occurrence. Fortunately it is one that can be remedied usually with excellent results. Today's Denturists (or Denture Therapist) apply all their skill and knowledge to provide you with a substitute that perfectly suits both the shape of your mouth and your smile. You benefit from the personal attention of the Denturist from start to finish.

Although less known than other professions, Denturists are providing an important healthy service directly to the public. Not only does the Denture Therapist provide a full range of dental services directly to the patient, but he provides this service at a cost that makes wearing dentures possible for many who could not otherwise afford them. "Personalized" dentures are no longer the preserve of the wealthy. You may be surprised at the reasonable fees the Denturist can offer for his services. Consultation will allow you to discuss all options, desired treatment, and cost. Consultations at our office are free of charge. Also it is important to note, that there is no GST or tax of any kind on dentures. They honour all insurance plans, D.V.A. & Social Services claims.

We also offer visitation services. We will go to see patients in hospitals and nursing homes, and in special circumstances, we will make house calls. It's the Denturist Association of Ontario's commitment to bring service with integrity to the profession of Denture Therapy. Our experience is unique, as we are the only profession legislated specifically for one purpose - to make dentures.

You do not need a referral; simply call our office direct.

We've Been Creating Confident Smiles Since 1982!
