*On approved credit. Nominal administration fee payable at time of purchase. Accrued interest is waived if purchase amount is paid in full on or before billing due date. Interest accrues from date of purchase. Purchase price is subject to GST. Monthly interest is billed but will be waived if minimum monthly payments are made (where required) and the balance of the purchase is paid off by end of the no interest period. **Administrative fee (\$29.95 for 6 months, \$44.95 for 12 months) when blended with interest will affect the annual percentage rate (APR). Example on 12 months no interest option (including taxes): If minimum monthly payments totalling \$611.14 on \$1,500 purchase or \$814.85 on \$2,000 purchase are made and balance is paid off within 12 months. Interest is waived and \$39.95 admin fee creates an APR of 2.67% (total cost of \$2,039.95) on \$2,000 purchase. If you elect to finance for an additional 12 months and minimum monthly payments totalling \$1179.36 on \$1,500 purchase or \$1,572.48 on \$2,000 purchase are made and remaining balance of \$910.34 or \$1213.79 is paid off at end of 24 months; interest charges calculated from date of purchase plus admin fee are \$429.65 (total cost is \$2129.95) and APR is 26.69% for \$1,500 purchase or \$26.22 (total cost \$2,826.22) and 26.27% APR for \$2,000 purchase. No payment options not available on Business Revolving Credit. We reserve the right to limit quantities.
