## Sunday at 3 stars Sandra Greig

The Arts Alive Concert Series Sunday At 3 continues on November 28 with local vocalist Sandra Greig.

Well known for her many roles with Georgetown Globe Productions, Greig has also played in numerous shows with Brampton Musical Society and Meadowvale Theatre, where she was most recently seen in the lead role in Mame.

At the piano, and back by popular demand, is Jim Campbell. He performs regularly in the Toronto area with a Mississauga-based entertainment troupe and in the Atrium of the Princess Margaret Hospital for producer Jackie Rae (Spitfire Band).

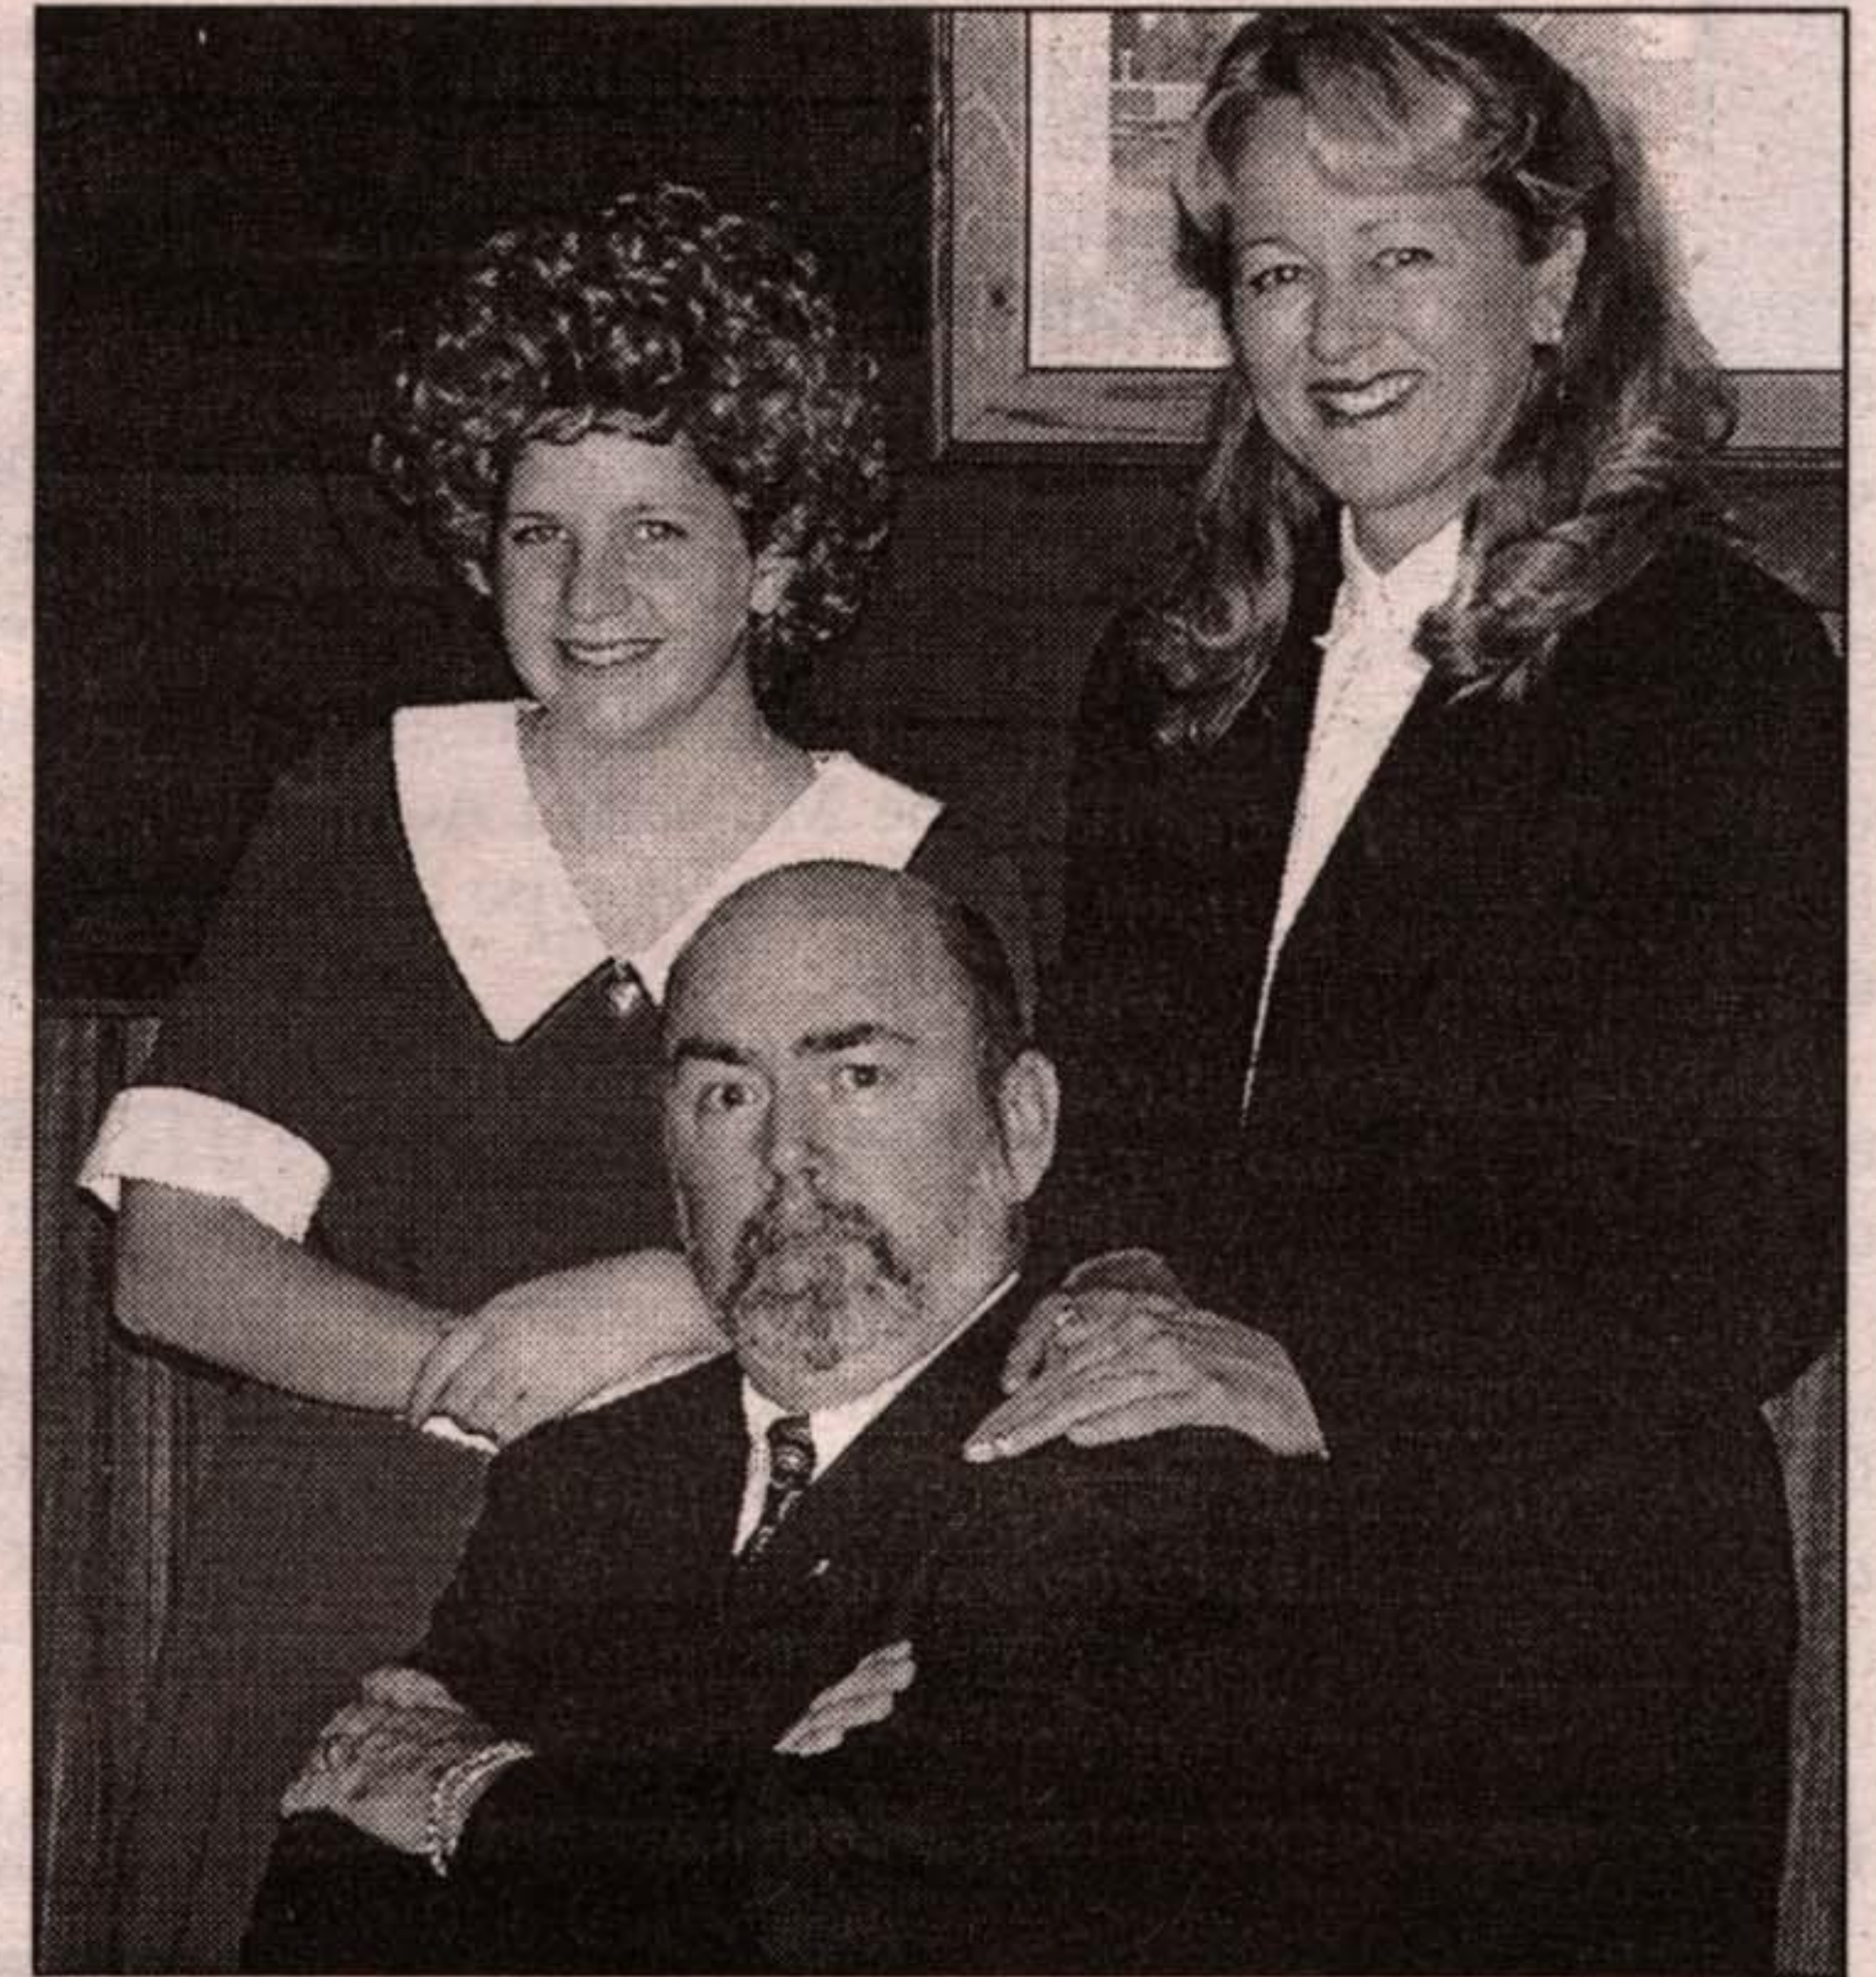

The November concert is entitled 'Tis the Season, and the duo will perform popular ballads and show tunes, together with a selection of seasonal music.

Make a date for Sunday at 3 on November 28 in the intimate surroundings of the Gallery in the Halton Hills Cultural Centre, Church Street, Georgetown.

Doors open at 2:30 p.m. Light refreshments served. There is no admission charge— pay what you can.

Come early to avoid disappointment. Last month's concert played to a capacity crowd.
