Enthusiasts attend Outdoor Power open house

Outdoor Power Equipment, 61 Guelph St. in Georgetown hosted its 13th annual open house recently.

Many people came out to meet the Outdoor Power racing teams—the winning grass drag racers Tiina Duncanson and Bob Crate and top contending asphalt drag racer Sean Cartwright. Lots of questions were answered by the racers and the pit crews.

Thanks goes to Peter Duncanson for setting up the portable drag race starting tree so that people could get the feel of an actual race start.

Winner of the \$290 Skidoo performance helmet was Andrew Dobson of Etobicoke. Winner of the 2000 Skidoo factory cap for fastest qualifying drag race throttle response time was Steve Long of Georgetown.

"It is always nice to sit back after an open house event and reflect on some memories of past events and of friends and customers that we have seen't since last winter," say owners Mark, Keith and George Poullos.
