

## Glen Williams news September will be a very busy month

School has begun, and sure enough the social whirlwind has started as well.

Sunday School will be starting again at St. Alban's on Sept. 17 at 10:30 am. Everyone is welcome.

Registration for Scouting and Guiding in the Glen will be Sept. 11, 6:30-8 p.m. at Glen Williams Public School. We're looking forward to having a Cub Pack again in the Glen so be sure to come down and register the kids.

The Glen Williams Satellite Program of the Parent-Child Centre will get started again on Sept. 14, 9:30-11 a.m., and will be offered every Tuesday and Thursday morning. It's a great chance to meet other folks with pre-schoolers, and Joanne always keeps the kids entertained with lots of toys, games, crafts and songs.

The school council at Glen Williams Public School will kick off their year with a meeting Sept. 11 in the school library—social at 6:30 p.m. and then down to business at 7:30 p.m. Newcomers are always welcome and it promises to be a busy year.

One of the big events at the school this year is the 50th anniversary Oct. 14 at 2 p.m. The festivities will begin with a day-long celebration of our school's history and end with a chicken dinner.

Call the school at 877-9112 for more information.

Sheridan Nurseries has invited Glen Williams out for a Community Corn Roast on Sept. 16, 1-5 p.m. For the adults there will be information on the history of Sheridan Nurseries, and some experts' gardening tips, and for the kids, wagon rides, face painting and more. Corn, hot dogs and pop will be served. A freewill donation will be accepted, and any proceeds will be split between St. Alban's and St. John's in the Glen. For more information call Leslie Hawkins at Sheridan, 873-0522 ext. 229. It's a great chance to see all of our neighbours.

Remember, if you're planning a community event, or want to share some news, give me a call at 702-8275, and I'll be happy to pass it on.

Q: Why did the chicken cross the road?

A: To live longer.

By walking across the road, the chicken gained a healthier heart and lungs... and a positive attitude.
