The Affordable Vehicle Alternative

We only recently opened the "No Frills Outlet" at 320 Steeles Ave. just down the street from our main location here in Milton. Its function & role is to promote a good "LOWER PRICED VEHICLE LINE". This facility features many exceptional vehicles with a little higher mileage but with solid mechanical warranties and non accident repair guarantees.

Too, every vehicle carries our peace of mind assurances re: mileage authenticity, lien-free ownership & guaranteed "NO RISK TITLE". All these safeguards & quality assurances sure are not available everywhere. ***Many are one owner original vehicles.**

The Selection:

YEAR	MAKE	MODEL	STOCK#	PRICE
1999	Chrysler	300M	551361	\$25,995.00

Business

Dufferin Aggregates honored

Dufferin Aggregates has received the first Aggregate Producers Association of Ontario Award of Excellence. To be considered, a quarry must receive top marks in property enhancement, progressive rehabilitation and community relations.

Dufferin Aggregates' Milton quarry, located on the western edge of Halton Hills, sponsors research in rehabilitation techniques and works with a team of ecologists and soil scientists to

develop and monitor rehabilitation plans.

The company works closely with the Bruce Trail Association — the trail hugs the quarry, hosts school tours, guest lectures at colleges and universities and has an ongoing partnership with Scouts Canada.

Dufferin's operations manager Trevor McAdam said he is "very proud that the company is part of the community. We want to hear from our neighbours... because we care."

Canadian Tire to enter 'Next Generation'

Over the next few weeks Canadian Tire on Guelph Street will be undergoing renovations to bring it in line with the company's "Next Generation" store format.

The work is to be completed by October 15. The new format will include The Kitchen Place, a specialty boutique that offers greatly enhanced selection in kitchen items, and The Hardware Store, providing customers with an expanded product assortment.

"We believe that our "Next Generation" store delivers exactly what customers have told us they would value in the future—new and more brand names, more interactive displays of product, top-notch customer service and a unique shopping experience that can't be beat," said store manager Tracey Craig.

When renovations are complete the store will also have a staffed information desk, help stations, tandem cash lanes and new signs and easy-to-follow directories.

Down-to-earth financial management. Your terms. Your comfort.

MONEY CONCEPTS

348 Guelph St.
Georgetown
873-1877

After a very wet and unpredictable summer the kids have returned to school to increase their knowledge.

Investors will return their focus to the market and find several significant changes have occurred year to date (YTD):

- The TSE 300 up 27% YTD, has reversed a trend, outperforming the Dow Jones which has declined 2.6% YTD
- A barrel of oil has climbed to \$35.45 driving the price at the pumps to 75 and 80 cents per litre
- The U.S. did not increase interest rates at their last Federal Reserve meeting. Indications as to whether this is the end of recent increases are mixed.
- The best areas of investment growth in North American markets YTD have been Biotechnology and Utilities, up 49% and 39% respectively.
- The Dow Jones Internet Composite index has declined 25% YTD.
- The highest marginal income tax rate in Ontario including all surtaxes is down to 47.9%.

All of these points and more have to be considered when reviewing your personal financial plan. At Money Concepts we look at the "whole picture". If you have questions about your financial plan or would like to develop a comprehensive financial plan tailored to your goals, give us a call or better yet, drop in for a coffee. It's Tim's!

GET READY FOR FALL!

This fall, why not set aside some time to learn a new skill? Downtown Acton has a good variety of classes to get you in shape or to learn a new craft. The Needle Gnome (853-5245) has stitching classes every Sunday afternoon. This "make-it-and-take-it" format is a great way to learn a new technique and it costs an average of only about \$20 for the lesson and all supplies. There are ten different classes covering everything from basic cross-stitch to advanced embroidery techniques. The Fall Open House and Registration takes place at Paintin' Friends (853-0777) on September 7, 8 & 9. There are both day classes and evening classes, with projects suitable for the beginner as well as the advanced painter. Stop by during their open house and take a look at all the neat projects you can do! If you want to get in shape, why not combine it with learning a new skill? Both Classic Karate (853-9967) and Acton Jiu Jitsu (853-2424) offer a variety of classes geared to your level of fitness and expertise. Have fun this fall learn something new!
