

# Glen Williams School gets ready for its 50th anniversary party

By ELIZABETH MITCHELL  
Glen Williams news

Plans are going well for the 50th Anniversary Celebration at the Glen Williams School. Students from the present and past can get their commemorative t-shirts through the school (phone Brenda Last 877-9112). What a great way to show your spirit when you return to school on Saturday, October 14! The tickets for the chicken dinner are also available, \$10 for adults \$5 for children. There are reports of a former student travelling from Alberta to join us!

Members of St. Alban's are gathering for a potluck dinner on Sept. 30 at 5:30 p.m. to share thoughts of our parish. If you haven't been out in awhile, come talk about what St. Alban's does and could mean to you.

## Avon reps to sell breast cancer candles

Local Avon sales dealers will be going door to door tomorrow (Saturday) asking for contributions for breast cancer research by selling Avon Pink Ribbon Candles for \$5. Avon Canada, through its donations to the Avon Flame Foundation, has raised about \$5 million for the Canadian Breast Cancer Research Initiative since 1993.

For more information call Lilian Brown, Avon district manager, at 877-8054.

#### HALTON REGION'S WATERMAIN CLEANING PROGRAM FOR 2000

As part of Halton's ongoing watermain maintenance program Regional staff and our contractor will be cleaning the watermains in the town of Georgetown commencing the week of **SEPTEMBER 10, 2000. This work will continue for approximately 4 weeks.**

Our 2000 Watermain Cleaning Program will cover the areas bounded by Maple Avenue, Guelph Street, and Hall Road, and also the industrial area north of Guelph Street between Mountainview Road and Delrex Boulevard.

There may be some inconveniences to you during our operation. Discoloured water is discharged during cleaning and to avoid having it enter your home/place of business, please follow the steps noted below:

- Do not use water between the times indicated on your **BLUE LETTER**, which we will provide to you approximately 2 days prior to working on your street.
- When we are finished for the day on your street (times indicated in the **BLUE LETTER**) please turn on your cold water tap in your basement and let it run until the water is clear.

To keep informed of our progress, check the ads in this newspaper again and look for our **BLUE LETTER** in your mailbox for the date we'll be working on your street.
