

**IT IS MY PLEASURE TO INTRODUCE YOU TO...
"18 CINDEBARKE TERRACE"**

What a wonderful home on a breathtaking 180 ft. deep beautifully landscaped and treed lot. From the welcoming foyer you will find a main floor library/den/office with 10' ceilings and warm wood floors perfect for those times in life when you need that quiet concentration. On to the main level to a beautiful living room and dining room, perfect for adult entertaining, with upgraded stain resistant "Mother's Choice" broadloom. Handy access from the dining area to this magnificent kitchen, every woman's dream. Upgraded maple cabinetry, pantry, pots and pans drawers, under cabinet valance lighting. And best of all, the new ceramic tile flooring is heated for those cold winter mornings. The kitchen opens to a huge main floor family room with a glowing gas fireplace. The view from the oversized windows is absolutely beautiful, or walkout to the 30 x 11' party sized deck plus interlock patio and walkway where you will find an 8 person hot tub looking over the lush rear gardens. The upper level boasts a huge master bedroom with skylight and ensuite washroom, an upper floor laundry room, a beautifully renovated main bathroom with luxurious jacuzzi tub, plus 2 more spacious, airy bedrooms. The lower level has access to the built-in double car garage, and has a finished fourth bedroom, plus a new 3 piece bathroom. This home is in move-in condition and must be seen to be fully appreciated. Everything has been done tastefully and with quality foremost in mind. I will look forward to taking you on a tour of this wonderful home and property, just out of the "tension" zone on a quiet little cul-de-sac across from Cedarvale Park. Priced at \$359,900.
