A tree grows in...

Kathy Keeshaw and her son Geoffrey, 5 of Treanor Crescent were delighted to take delivery of a maple tree from Murray Anderson, manager of Colonial Tree Service. Keeshaw was the lucky winner of the tree after filling in a ballot at Colonial Tree Service's display at Georgetown Fair. The tree was donated by Dutch Nurseries and Garden Centre of Huttonville.

Employers are requested to set up fall flu shot clinics

Influenza accounts for millions of days lost from work each year and research has proven the effectiveness of immunization as a means of reducing absenteeism at work.

A study published in The New England Journal of Medicine found that people who were vaccinated took 43 per cent fewer sick days from work and had 44 per cent fewer visits to physicians' offices than people who were not vaccinated.

On July 25, the Ontario Ministry of Health announced a Universal Influenza Immunization Program to begin this fall which will provide free flu shots for all residents. As part of the program, employers— including those in Halton Hills— are being asked to voluntarily establish clinics to immunize their employees.

For more information about this program, call the Halton Region Health Department Communicable Disease and Infection Control Program, ext. 7855, at 853-0501 (Acton residents), 878-8113 (Georgetown residents), or visit the Halton Region Web site at www.region.halton.on.ca/health.
