Teens given opportunity to learn about computers at youth centre

Technology for Teens is a program designed for youth to give them an opportunity to learn more about computers and to have fun. Halton Hills Community Support and Information (HHCSI) is looking participants between the ages of 12-19 who do not have access to a computer.

The group runs for 10 weeks and parents can also take part.

Technology for Teens is also looking for volunteers with computer knowledge to rebuild and program HHCSI's computers. If you are interested or need more information call Natalie at the Off The Wall Youth Centre, 853-9825.

All Star Reading Program

One hour is all it takes to make a difference in a child's life. HHCSI is looking for volunteers for its All Star Reading Program. Training for reading coaches will be provided. Seniors, parents, high school students or anyone who has an hour a week to make a difference are needed. Reading sessions run for 12 to 16 weeks at Robert Little Public School, 41 School Lane, Acton. For more information call Terri, 853-3310.

FOOD SENSITIVITY and ALLERGY SCREENING

Don't know what causes common symptoms like:

- Allergies
- Digestive Disturbance
- Migraine
- Fatigue
- Weight Gain

Food Sensitivity and Allergy Screening might be the answer for you!
This service is available with a Computerized Electro-Dermal Screening
(The Screening is non invasive and painless)

What can it Do?

- Indicate food allergies and what foods should be added or eliminated according to your specific bio-chemical make-up
- Indicate any vitamin, mineral, or hormonal imbalance
- Identify environmental allergies to heavy metal, such as lead, aluminum and other types of allergies to yeast fungus, molds and parasites
- Determine the energetic level of each organ/body system and how well they are functioning.

To book an appointment for your food and allergy screening please call 905-873-0194.
