

WE'RE A BRAND NEW ^{Service} CONCEPT

Halton Hills' only Ford and Lincoln Dealer presents just 3 of the reasons to try our new concept in service...

1 QUALITY PEOPLE

People are the back bone of any successful organization. We are very pleased to introduce our new service advisor team, Monica Federko, Jeff Tokarchuck and Anne Chard. In addition, we have added three factory trained Ford technicians to make our technical staff the best around. Come in and experience quality care.

2 CONVENIENCE

When you need service, we are ready. Open six days a week, Saturday 8:30 am - 3:30 pm, and Thursday evenings as well. No time to wait for your vehicle then take advantage of our shuttle service or for bigger jobs, our service loaners have been expanded to include a Windstar and an F150 Supercab for special needs.

3 CUSTOMER DRIVEN POLICIES

While hanging around for those on the spot jobs check out our cool stuff store or log on in our internet cafe. Along with Ford Motor Company we are listening to the customer. Our service policies are based on extensive satisfaction research. Give us a call today and experience it for yourself.

4 ...OK, Here's the Bonus Reason

But hurry only until Oct. 31/00

Oil and filter change with our top of the line parts.
