

## Milton man injured in Fifth Line accident

A Milton man is in critical condition in a Toronto hospital after a collision at the Fifth Line and Five Sideroad Wednesday night.

Halton Police say the accident occurred when a vehicle driven westbound on Five Sideroad by John Kennedy, 50, of Burlington was struck at the Fifth Line intersection by a vehicle driven northbound on Fifth Line by Sriskandaraja Sabaratnam, 44, of Milton. There is a stop sign on the Fifth Line at that intersection.

Sabaratanam was taken to Milton Hospital and later airlifted to Sunnybrook and Women's College Health Sciences Centre.

Police are investigating.

## Former politicians join mayoral and Ward 1 races

A couple of municipal election races have heated up with the addition of two new candidates to the fray— Robert Heaton for the position of mayor and Jake Kuiken for local council Ward 1.

Both candidates have local political experience.

Stewarttown resident Heaton filed his nomination papers Thursday and Kuiken, of Acton, filed Wednesday.

Heaton was a Ward 2 councillor for nine years.

Kuiken was a regional councillor for Acton from 1985 to 1987 and also served as a school board member for

the Georgetown Christian School from 1965 to 1974.

At press time neither candidate could be reached for comment.

Candidates have until today (Friday) at 5 p.m. to file their nomination papers for the November 13 municipal election.
