

Georgetown Legion Ladies present service pins to longtime members

The Georgetown Legion Ladies Auxiliary celebrated its 72nd birthday recently. Several of our members were recognized for their years of service: Dolly Carter, 60 years; Dot Day, 55 years and Ruby Bailey, 45 years.

Thirty-five year pins were presented to Jessie Hayes, Marjorie Arnold and Rita Rayner; 30-year pins to Ellen Bastedo, Doris Chamberlain and Dot Hicks; 25-year pins to Mary Bowers, Cindy Crawford, Mae Lawr, Carol Telford, Crystal Thorogood and Bev Van Alpen; 20-years to Lucille Ryall, 15-year pins to Edith Bartlett and Marion McGugan, and 10-year pins to Linda Armstrong and Ivy King.

Certificates of appreciation went to Marg Appleyard, Jean Nary, Ann Felker and Cecile Reid. Trillium Awards were presented to Marjorie Tutty, Vi Herrington, Elizabeth McNeilly, Nadine Bradley, Helen Tompkinson, Sheila Hicks and Dot Day.

Flo Carswell, Dot Day, Elizabeth McNeilly, Sheila Hicks, Nadine Bradley, Crystal Thorogood, Marion Carney, Ruby Bailey, Hazel Dumper and Jean Harley all received 75 Year Medals.

Zone Commander Ethel Eastwood brought best wishes from Ontario Command Zone B7.

Thank you to Linda Armstrong in the kitchen, as well as the air cadets who did an excellent job making sure everything was progressing the way it should. Also thanks to the members of the branch, Norm Griffin, Kathy Noseworthy, Doug Imber, Jean Cowan and Joe Poirier for taking time on a Saturday night to help Linda. And thanks also to Tim Sommerville who looked after the refreshments. It was greatly appreciated.

Sports scheduled for October: qualify for District Bowling on Oct. 14 in Port Credit and on Oct. 21 qualify for District Cribbage in Georgetown. There is a sports meeting in Erin on Oct. 29; everyone welcome. If you have any ideas you would like to share or any complaints you would like to discuss, this is the place to be. The meeting begins at 1 p.m.

The rededication of Remembrance Park takes place on Saturday, Oct. 28 at 2 p.m. The parade forms up at the Legion at 1:30 p.m. Our Ladies Color Party will be participating and I am sure they would like to know their auxiliary was behind them.

Our next meeting will be held on Oct. 19, 8 p.m. See you there.

In Halton Hills, you can attract Downey, Hairy and even Red Bellied Woodpeckers in to your back yard by offering suet, sunflower seeds and shelled peanuts. Suet is a great high energy food for them in winter. I prefer the pure suet over the mixed suet/seed cakes because it reduces competition with other species at the feeder and reduces waste. Seed shells become soggy and more difficult to crack when mixed in to the suet. Woodpeckers play a valuable role in forest habitats by limiting insect populations like bark beetles and wood-boring insects and therefore insect damage to trees. Studies show that you can help them to survive by providing nutritious food and healthy habitats! Don't Forget -Lowe Alpine & MSR Product Info. Night at Canoe Country Thurs. Oct.19 - 6:30 PM.

Tooth Chatter

by ALEX TRENTON DENTURIST

QUESTIONS & ANSWERS

Q: What is a permanent processed reline?
A: A processed reline is a way of re-basing your denture with the same type of long cure acrylic from which it was originally made. This will make the denture fit more snugly to your ridge.

Q: Will it change the appearance of my teeth?
A: No, it only re-fits the denture to your ridge, no change of tooth position takes place.

Q: What are soft, or cushion, relines?
A: A permanent soft-rubber lining is applied to the lower denture inside ridge. Soft, or cushion, relines are an excellent alternative for those who have sensitive oral tissue and tend to get frequent sore spots. A properly applied soft lining can provide years of comfortable chewing and smiling!

Q: How long will it take?
A: Most relines commenced in the morning are completed and returned to the patient that afternoon.

Q: What if I'm a working person and can't give up my teeth for a day?
A: The alternative is to bring your dentures in after work. It can be relined and returned to you the next morning by 8:30 am.

Relining an existing denture is an excellent economical way to prolong the life of your plate by restoring and maintaining a firm comfortable fit. You do not need a referral; simply call our office direct.
