

## Knox Church gives a grand to local agencies

The Bennett Centre and Meals on Wheels were the recipients of cheques for about \$500 each from Knox Presbyterian Church's Mission and Outreach committee recently. The committee raised the money at a refreshment booth at Georgetown fair. On hand for the cheque presentation at Halton Hills Community Support and Information were from left, Bennett Centre administrator Judy Donnelly, Hank Van Goch of the Knox Church committee, Meals on Wheels coordinator Liz Hardstaff and Marcia Cardinell of the church committee.
