

It gets spooky at Bishop Reding

The Royal Report

Yet another fun-filled week has passed at Bishop Reding (B.R.) Secondary School, and with it comes another edition of the Royal Report.

The girls' field hockey team had a successful season. Recently they played Loyola in a playoff match but were unable to come home with the win after a hard fought battle. Congratulations on a successful season and good luck next year.

The senior girls' basketball team played Loyola in regular season play. The team worked together capturing their first win of the season with a 38-19 victory against Loyola. Also, last Monday the senior boys' volleyball team traveled to Loyola to face an undefeated squad. The boys put up a great fight but just fell short of a win. Good luck in the future to both teams as their regular seasons continue.

The spookiness of Halloween is upon B.R. Over the past few days students have been able to participate in many activities including: costumes, trivia and pumpkin carving. Thank you to Student Government for hosting these events.

Congratulations to Melanie Carreira and Shaina Locke who were selected to the positions of Student Administrative team. They will join Mark Antonelli, Alicia New, Andrew Pepper and Katie Patience to form the Student Government for 2000-2001.

Congratulations to all students who made last year's honour role or who won an award. Yesterday these students received a breakfast for their accomplishments. Results from last night's award ceremony will be in the next

edition.

American universities will be recruiting at the Royal York Hotel in Toronto on Sunday Oct. 29, 2-5 p.m. and Monday, Oct. 30, 7-9 p.m. Also, Red Carpet Day at Mohawk College in Hamilton is coming up on Nov. 6, 4-8 p.m. at the Brantford campus and Nov. 14, 8:30 a.m. to 12:30 p.m. at the Fennel Campus. These days will give you an opportunity to see the campus, course information and meet with a college counselor. More information can be obtained about these events in Student Services.

This coming Wednesday (Nov. 1) is "Take your Kids to Work Day" across the province. We wish the Grade 9 students the best as they gain valuable information about possible future careers and have fun at the same time.
