

HALLOWE'EN SAFETY TIPS

PARENTS: - Here are a few rules to follow for a safe Hallowe'en with your little goblins.

- Drive with extra care on Hallowe'en night
- Leave a porch light on if trick or treaters are welcomed at your house
- Clear all walkways to ensure safety in the dark.
- Inspect all candy before the kids dig in. If you question the condition of anything, throw it away.
- Remind your children to look both ways and to cross only at corners. Children should stick to a predetermined route and should be given a specific time at which to return home.

KIDS: - Have fun but be careful!!

- When trick or treating at night, carry a flashlight or attach reflective tape to your costume.
- Avoid masks that obstruct vision; theatrical makeup may be a better alternative. Make sure the costume allows you to move and run without tripping.
- Trick or treaters should always go in groups, and younger children should be accompanied by an adult.
