

Leaving soon for 26th trip

Couple seeks shoes for Caribbean kids

Norval news

The Norval Community is saddened by the death on Tuesday of Ruth Thompson.

Ruth was a very active part of the Norval community and will be greatly missed. A member and former president of the Norval Community Association, Ruth always had a smile and a cheery word.

She was dedicated to the Lucy Maud Montgomery Garden and had a lovely garden of her own where she and her husband Ted hosted the Norval Community Association's annual Garden Party for several years.

Courageous in her illness, Ruth will be greatly missed by the people of Norval. Every sympathy goes to Ted, their five children and nine grandchildren on the loss of a best friend and mother.

Music celebration, Sunday
Union Presbyterian Church

will be presenting a Celebration on Sunday, Oct. 29 at 7:30 p.m. Come on out to hear a musical combo and singers present the Word in today's music. All are welcome, refreshments will be served afterwards, and childcare is available if desired.

Couple seeks donations

Carrolle and Hank Golow of Winston Churchill Boulevard will be leaving soon for their 26th trip to the Dominican Republic. The difference for these folks is that they will be taking many articles for the needy, particularly shoes.

On their first trip in 1976 they met a young lad named Rafaello who had never been to school. The reason for this was that he had no shoes. Appalled by the price of a pair of shoes, the Golows have made this their mission, and have taken many other items to needy people there.

If anyone is interested in donating footwear, new or gently used items are always appreciated. Candy is popular too, and small appliances are also desired.

Call me at 702-0374 and I will contact the Golows for you.

Good time at anniversary

Norval United Church celebrated its 150th Anniversary with a Dinner and Dance last weekend. The event was held at the Jr. Farmers' pavilion at the Brampton Fairgrounds. The Dinner and Dance was delicious and delightful, and a really good time was had by all.

Congratulations to Norval United Church and to the organizers of the event. On Sunday morning at worship, Dave Toyce, president of World Vision Canada spoke on Celebrating the Past—Hearing God's Call Today.

Many guests joined with the regulars at Norval United Church to celebrate this significant milestone.
