Manufacturing Supervisor

•afternoon shift

You will supervise our afternoon shift manufacturing operation from 3:45 p.m. to 12:15 a.m. Your responsibilities will include supervising electronic/mechanical assemblers and production test technicians, meeting production plans, ensuring good health and safety practices are followed, and coaching, training, and providing functional guidance to the team. Employee/customer focused with high energy and a "pitch-in" attitude, you have experience in a high-tech electronics manufacturing environment along with 3 - 5 years' supervisory experience. Ideally, you have a manufacturing engineering background and a degree in Manufacturing, Electronics or Engineering.

We offer the opportunity for personal growth, a salary commensurate with your challenging responsibilities, and a full range of benefits including an in-house fitness facility! We value all applicants, but only those selected for an interview will be contacted. If you are interested in this unique and exciting opportunity, please apply in writing to:
