BRACKNELL TELECOM SERVICES

Construction Crews - Riggers

Bracknell Telecom Services (www.bracknell-telecom.com) serves the infrastructure facility needs of the rapidly evolving wireless telecom community across North America. BTS provides multi-service telecom facilities solutions including design, implementation, management services and construction. As a result of business growth our Mississauga office requires four (4) construction people who are committed to the growth of this leading edge company.

Bracknell Telecom Services requires Construction Crews - Riggers experienced in Tower foundation, steelwork antennas/lines and electrical and lightning protection systems, as well as Rooftop steelwork, antenna mounts, cable tray, antennas/lines and electrical lighting protection systems. In order to accurately build a telecommunication site, successful candidates must have the ability to read and understand drawings, identify and solve problems, and be able to converse with engineers, clients, subcontractors and property managers. BTS has immediate openings for four (4) Riggers to be based out of our Mississauga office. The ability to travel is a must.

Submit resumes in confidence to:

Bracknell Telecom Services
FAX: (905) 673-6411
E-Mail: humanresources@bracknell-telecom.com
All resumes must be received by November 17, 2000
