Parade begins at 2 p.m. Georgetown welcomes Santa Claus Sunday

The 70th Annual Georgetown Lions Club Santa Claus Parade will be held Sunday, November 12.

The parade was moved from its traditional Saturday date so that it would not conflict with Remembrance Day services. The starting time has also been moved back to 2 p.m. so that it won't interfere with church services.

The parade will begin at Guelph St. and Sinclair Ave. It will travel down Guelph to Mill St. where it turns left and follows Mill St. to Charles St. It will again turn left and follow Charles St. to Park Ave. where it will turn right to finish in the Georgetown Fairgrounds around 4 p.m. The parade will take approximately an hour to pass a point on the route.

Organizers expect about 60 entries in the parade. Six bands, including the Acton Citizens' Band, the Georgetown Pipe Band and the Georgetown 576 Squadron Air Cadets Band, will also be participating. Other popular entries returning are the Peel Shriners' go-carts and the Credit Valley Shriners' scooters.

Organizers request that nobody parks on Mill St. between 2 and 4 p.m. and that spectators stay back and allow the parade to pass.

The Acton Santa Claus Parade will be held Saturday, Nov. 18. See next Wednesday's Independent & Free Press for details.

Election profile omitted

Due to an error on the part of *The Independent & Free Press*, the profile on Ward 4 municipal election candidate Derrick Williams did not appear in the Nov. 8 edition. It appears below.

The Independent & Free Press regrets the omission.

Derrick Williams

Occupation: Retired business owner

Previous political experience: None

For the past six years I have followed and participated in our local council on a variety of issues. As a taxpayer both at home and business, I am concerned about the quality of service received. Our roads need improving. We have a major problem with truck traffic that needs to be addressed. We need to balance our residential and industrial growth. Our water supply is limited for both residential and industrial areas. Council's interest seems to be "Let's build homes... and let industry take care of itself." I say let's concentrate on developing the Hwy. 401 Corridor in order to improve our tax base. The Official Plan review will take place in the next term of council. I would like the opportunity to voice your concerns.
