## Careers Unlimited will provide glimpse into future job opportunities

Elementary and secondary students, parents and others interested in learning about career options are invited to the sixth annual Careers Unlimited at Georgetown High School on Wednesday, Nov. 29.

Careers Unlimited 2000 will provide an opportunity for attendees to interact with individuals from many professions as well as with representatives from colleges, universities, apprenticeships and other training institutions.

This is an opportunity for all students to talk one-on-one with people in various industries. This event ties in to the Grade 9

Take Our Kids to Work Day, the mandatory Career Studies course in Grade 10 and the co-op program in in Grade 11 and 12.

Careers Unlimited is co-ordinated by the Halton Industry Education Council (HIEC) Career Centre, in partnership with Halton Hills Chamber of Commerce. HIEC partners include both Halton boards of education, Sheridan College and more than 30 Halton-area businesses.

It takes place 6:30-9:30 p.m. at the school.

Anyone with questions should contact HIEC in Burlington, (905) 634-2575 or the Halton Hills Chamber of Commerce, 877-7119.

### Keeping an eye on diabetes

Georgetown optometrist Dr. Caroline Teske participated in a free screening day for diabetes on Diabetes Day, yesterday (Nov. 21). More than 200 optometrists across Ontario conducted free eye exams for patients with diabetes whose exam may not be covered by insurance or OHIP. Early warning signs of diabetes can be detected through a routine eye examination and adults over age 45 are at increased risk.
