**1 EYE & 2 LEGS.**

You can lose a lot more than your licence drinking and driving.

**Fire extinguishers set off inside Ballinafad Community Centre**

There has been another break-in in the Ballinafad Community Centre. On Saturday, Nov. 11 a window boarded up was smashed in, plus locks damaged and the fire extinguishers set off. Anyone having children coming home with yellow powder on their clothes should take care to wash the clothes separately. If anything is known about the culprits, it should be reported to the police or Crime Stoppers, 1-800-222-8477 which does not subscribe to call display.

**Operation Christmas Child**

Five from Ballinafad and two from St. Andrew's congregations made the delivery to the Operation Christmas Child warehouse on Nov. 14. The group also worked the day sorting and checking contents of boxes at the warehouse in Kitchener. A total of 76 boxes had been contributed this year including boxes from the Ballinafad congregation and Erin and Limehouse cubs.

**Special service**

The Sunday, Nov. 12 United Church service

was pretty special. Remembrance Day set the tone for much of the worship. Folks pinned a poppy on a wreath with many stating aloud the name of the person being remembered. David Beare read a special dedication for Mary VanDinther, a kindergarten teacher at Limehouse School who passed away October 31. It was Mary's influence that brought Operation Christmas Child to Ballinafad. The shoe boxes collected for this organization were also dedicated. The Christmas Eve service will be held at a horse arena at 6:30 p.m. and it will be nice to be sheltered as well as not crowded.

**Euchre winners**

At the Nov. 16 euchre at the community centre, there were 12 tables of players. John Holland, first; Eleanor Robinson, second, and Marilyn Rasmussen, third. Winning the most lone hands prize with six was Edith Volmar. Glad Inglis won the low score prize.

Everyone is welcome to the next euchre to be held on Thursday, Nov. 30. Skill is not emphasized as much as enjoyment. Cost is only \$3.
