877-5241

We do chicken right.®

ROCKFORD QUARRY PROPOSAL

It's not just another hole in the ground.

If it goes ahead it will be the first **open pit** mine in Caledon.

Is this what you want?

- A huge negative impact on our water table and individual wells
- Estimated 17% reduction in local cold water levels
- An average of 60 trucks per hour on our roads
- Many millions of taxpayer dollars in road upgrades
- Major air, water and noise pollution from blasting, drilling and stone crushing
- Incomplete site plans and water testing before decisions are made
- Local retail businesses dependent on tourism will suffer

Get the facts:

INFORMATION MEETING November 30

7:30 p.m. at the Caledon Golf and Country Club

(on Olde Baseline west of McLaughlin). Coalition of Concerned Citizens

For more information call (905) 838-4333
